Agenda Item **6**
June 4, 2007

SUBJECT Approval to purchase Hot Asphalt from Cadillac Asphalt in the amount of \$126,360.80 for paving work on Novi Road between Twelve and Thirteen Mile Roads (\$76,787), portions of Donelson Drive (\$29,573.70) and miscellaneous locations needing repairs (\$20,000.00).

SUBMITTING DEPARTMENT: Public Works

CITY MANAGER APPROVAL:

EXPENDITURE REQUIRED	N/A
AMOUNT BUDGETED	N/A
APPROPRIATION REQUIRED	N/A
LINE ITEM NUMBER	202-000.00.886.000 (75%) 203-000.00.866.000 (25%)

BACKGROUND INFORMATION:

Cadillac Asphalt (located in Wixom) has been our paving supplier for the past several years due to their price and location to the City. The other two vendors, Ajax (Troy) and Barrett (Romulus) are located beyond a distance for our trucks to maintain the 325 degree temperature necessary for the asphalt to bind and adhere to the road surface.

Location	Linear Feet
Novi Road between 12 Mile & 13 Mile	9087
Donelson Drive	1300

Paving is scheduled to begin the week of June 18 and continue through July.

Contractor	Price Per Ton
Cadillac	\$39.00
Ajax	\$39.00
Barrett	\$36.00

RECOMMENDED ACTION: Approval to purchase Hot Asphalt from Cadillac Asphalt in the amount of \$126,360.80, for paving work on Novi Road at various locations between Twelve and Thirteen Mile Roads (\$76,787.10), portions of Donelson Drive (\$29,573.70) and miscellaneous locations needing repairs (\$20,000.00).

MEMORANDUM

TO: Clay J. Pearson, City Manager

FROM: William McCusker, Director of Public Works 

RE: Request to Purchase Hot Asphalt

DATE: May 30, 2007

The DPW Department's annual asphalt program is largely based upon the availability of renting a paving machine and other associated equipment. Renting paving machines is sometimes difficult since asphalt contractors either rent or purchase these machines. To date, the DPW has found only one machine in Michigan that is available to rent in June and July. This machine, however, is for sale and could be purchased anytime by either a contractor or a municipality.

Funds are available in the Major and Local road routine maintenance account and in the equipment rental account.

The asphalt program is scheduled to begin June 18 on Novi Road between 12 Mile and 13 Mile (estimated cost of \$76,787.10) with an anticipated completed date of June 29. Following Novi Road, we will start on Donelson Drive from 12 Mile south to West Oaks Drive (estimated cost of \$29,573.70). These two projects will require milling by an outside contractor prior to beginning asphalt work. Since the Michigan 50's Festival is scheduled at Fountain Walk and Donelson Drive is budgeted in our 07-08 routine maintenance line item account, paving will be completed by July 20.

Upon the conclusion of the two above mentioned projects, an additional \$20,000 is being requested to perform work at various locations throughout the community as a result of minor road failures, water and sewer repairs, and relocation of the recycling center.

The total estimated cost for asphalt work is \$126,360.80. Additional equipment rental costs associated with these projects will be paid for out of the DPW equipment rental fund (roller and tack machine).

These projects will only have intermittent lane closures and will be opened to traffic at all times. Residents will be notified through the Community Relations Department of these upcoming pending road projects.

All sales are subject to Ajax Materials Corporation's credit terms and project information policy. Invoices not paid promptly are subject to a time price differential of 1 1/2% per month equal to an annual percentage rate of 18%. Prices do not include sales tax.

The above mixtures are "standard" mixtures. They include either PG 64-22 or PG 58-22 asphalt binder and are not valid for any mixture requiring modification of our standard mix designs. Please call our central sales office for pricing of mixtures requiring use of asphalt binders other than PG 64-22 and PG 58-22 or for any other mixture modification including but not limited to mixtures utilizing Michigan Department of Transportation (MDOT) testing specifications or any other specification tested mixes. Submission of Order Acknowledgement is required for all non-standard mixtures and conditions contained therein apply to all HMA purchases.

The above mixtures are not designed to be used for tennis courts, running tracks or similar "play" areas. Please contact our sales office regarding mixtures required for these applications. No warranty will be made on materials used for tennis courts, running tracks, or other play areas without prior approval of mix designs from our laboratory.

Acceptance of clean, broken asphalt will be at the sole discretion of Ajax.
