

Mayor and Council Item  
Aug 11, 2008

TO: MAYOR LANDRY AND NOVI CITY COUNCIL  
FROM: COUNCILMEMBER ANDREW MUTCH  
SUBJECT: DESIGNATION OF CITY-OWNED LAND IN PARKS INVENTORY  
DATE: JULY 22, 2008  
CC: CLAY PEARSON, RANDY AULER

The city recently completed an exchange of properties that included a 2.3 acre parcel south of Nine Mile Road and adjacent to the city's Rotary Park properties. This property includes a portion of the Middle Rouge River and upland areas adjacent to it. Now that the city is the owner of the property, I am requesting the Council's support to direct City Administration to draft a resolution for this property to be formally designated as park land. That resolution would be consistent with previous City Council's designations for property acquired by the city for park purposes. This resolution would also provide guidance to the Parks, Recreation and Forestry Commission and the Planning Commission when updating their respective Master Plans. The intent is to incorporate this parcel into the existing Rotary Park.

The property under consideration is:

Twelve West Exchange property  
Adjacent to Rotary Park properties  
Acreage: 2.3 acres  
Parcel IDs: 50-22-25-200-016
