

**CITY of NOVI CITY COUNCIL**

**Agenda Item M  
September 13, 2010**

**SUBJECT:** Approval to purchase two 2010 GMC HD2500 pickup trucks with plows from Red Holman Buick GMC in the amount of \$51,652.

**SUBMITTING DEPARTMENT:** Department of Public Services – Water and Sewer Division

**CITY MANAGER APPROVAL:** *[Signature]* 174

*[Signature]*

<b>EXPENDITURE REQUIRED</b>	<b>\$51,652</b>
<b>AMOUNT INCLUDED IN APP'VD VEH REQUESTS</b>	<b>\$53,000 (Water &amp; Sewer only)</b>
<b>LINE ITEM NUMBER</b>	<b>592-000.00-142.000</b>

**BACKGROUND INFORMATION:**

City Council approved the procurement of two four-wheel drive pickup trucks with front plows for the Water and Sewer Division in FY2010/2011. These pickups would replace two pickup trucks that were auctioned in May 2010 because they each had reached the end of their useful life (truck numbers 712 and 713 were not operational and unsafe, and their assigned operators have been riding in other trucks since May).

Performance specifications for vehicles and equipment are typically written based on a brand and model that meets the City's particular needs. The specifications for these trucks were based on a three-quarter ton Ford F250 five speed pickup truck, or equivalent. Bids were publicly solicited, received, and opened on August 12, 2010. Nine bids were received as summarized on the attached bid tabulation form.

The low bidder is Signature Ford of Owosso, which proposes to provide two 2011 Ford F250 trucks but with an estimated delivery time as late as mid to late December. The second low bidder, Holman Buick GMC of Westland proposes to provide two 2010 GMC HD2500 trucks for an additional \$3 each, but with immediate delivery. The GMC pickup trucks meet all of the City's specifications and have a larger towing capacity, two batteries (instead of one with the Ford model), and a 6-speed transmission (instead of a 5-speed).

Because these vehicles are needed now and due to the other advantages listed above, we recommend purchasing GMC HD2500 pickup trucks from the second low bidder, Holman Buick GMC.

**RECOMMENDED ACTION:** Approval to purchase two 2010 GMC HD2500 pickup trucks with plows from Red Holman Buick GMC in the amount of \$51,652.

Purchasing Manager

Notice dated: August 4, 2010

**CITY OF NOVI**  
**NEW 2010-2011 VEHICLES**  
**ADDENDUM #2**

**INTENT:** This addendum has been issued to modify and/or interpret the original specifications for the bid/RFP named above. Unless otherwise instructed, the information contained within this Addendum shall take precedence over anything contrary in the original specifications, and shall hereinafter be considered as part of the bid package.

**RESPONSE:** The Contractor shall verify receipt of this Addendum on the Bid Proposal Form.

**CONTENTS:** Included in this Addendum is one (1) page of written addenda description.

**CLARIFICATIONS:**

- The engine specified for the Water & Sewer Department Pickup Trucks should read: "6.2 L V8 Gas Engine" if you are bidding a 2011. This engine is the standard for the 2011 F-Series super duty truck.
- If you are bidding a 2011 Ford F250/F350, it comes with a standard TorqShift 6-speed Auto SelectShift with O/D rather than the 4-speed with O/D.
- The specifications for the pickup trucks are based on the 2010 F250. We realize there are some differences in standard equipment that comes on the 2011 vehicles. If you find other differences in the standard equipment other than the two listed above, please make a note on the bid form in the "Comments/Exceptions" section.
