

# CITY of NOVI CITY COUNCIL

**Agenda Item G**  
**February 7, 2011**

**SUBJECT:** Approval of a Resolution Concerning Acquisition and Approving Declaration of Necessity and Taking and authorization of Offer to Purchase in the amount of \$242 for a temporary grading permit on the Frankum property (parcel 50-22-25-380-004) for the purpose of constructing a pedestrian safety path on the north side of Nine Mile Road between Meadowbrook Road and Haggerty Road.

**SUBMITTING DEPARTMENT:** Department of Public Services, Engineering Division *BTC*

**CITY MANAGER APPROVAL:** *Clay MP*

<b>EXPENDITURE REQUIRED</b>	<b>\$242</b>
<b>AMOUNT BUDGETED</b>	<b>\$46,500 (Engineering and Right-of-way acquisition)</b>
<b>LINE ITEM NUMBER</b>	<b>204-204.00-974.421 (Municipal Street Fund)</b>

**BACKGROUND INFORMATION:**

As part of the design phase of the proposed shared use pathway along the north side of Nine Mile Road between Meadowbrook Road and Haggerty Road, three permanent pathway easements and 13 temporary grading permits have been identified to facilitate construction. Please see the attached January 31, 2011 memo from Ben Croy for additional background.

As stated in the enclosed documentation, a temporary grading permit is required for the Frankum property located at 40661 Oakwood to facilitate construction of the proposed pathway. The enclosed January 31, 2011 letter was sent to the property owners requesting a donation of the temporary grading permit. As required by federal law, and in conformance with MDOT's Transportation Enhancement grant requirements for this project, the letter also informs the property owner that they are entitled to compensation in the amount of \$242. While engineering and easement acquisition costs are not covered by the grant, these tasks must be performed in compliance with grant requirements to receive the funding.

The attached resolution is being requested in the event that the easement is not donated and the City needs to present the offer. The resolution is being requested at this time in order to remain in compliance with the grant's schedule. The property owner will have until March 1, 2011 to grant the easement either by donation or for the amount stated in the letter. Following the March deadline, the city will begin proceedings to acquire the easements through eminent domain. If the easement is donated, the resolution will not be needed.

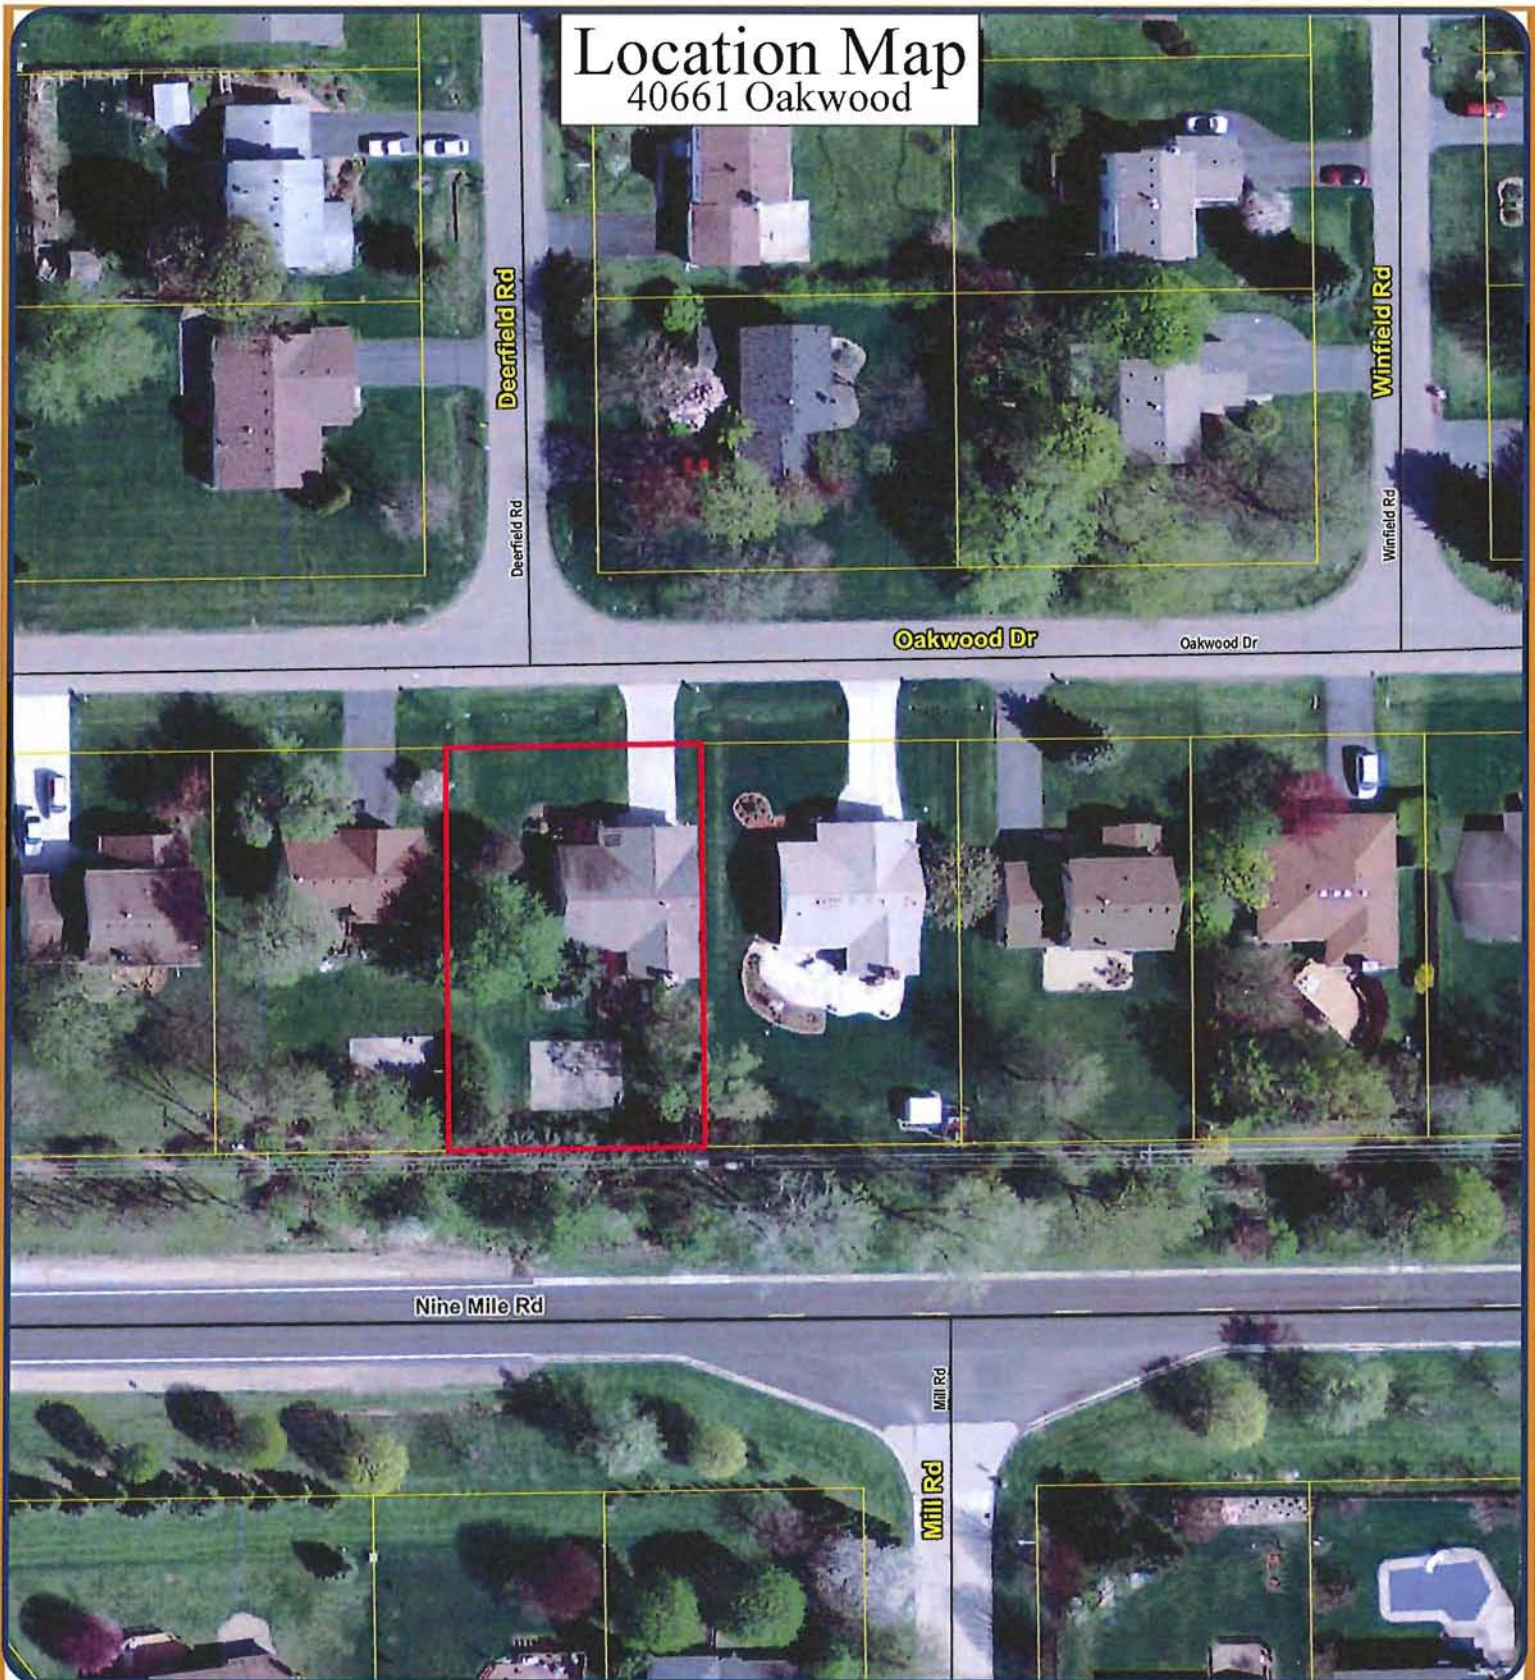

**RECOMMENDED ACTION:** Approval of a Resolution Concerning Acquisition and Approving Declaration of Necessity and Taking and authorization of Offer to Purchase in the amount of \$242 for a temporary grading permit on the Frankum property (parcel 50-22-25-380-004) for the purpose of constructing a pedestrian safety path on the north side of Nine Mile Road between Meadowbrook Road and Haggerty Road.

# MEMORANDUM

**TO:** BRIAN COBURN, P.E.; ENGINEERING MANAGER *BIC*  
**FROM:** BEN CROY, P.E.; CIVIL ENGINEER *BC*  
**SUBJECT:** NINE MILE PATHWAY EASEMENT OFFERS  
**DATE:** JANUARY 31, 2011

Constructing a continuous pathway along the north side of Nine Mile Road between Meadowbrook Road and Haggerty Road is the highest priority project listed in the Pathway and Sidewalk Prioritization and Process report, which was updated in November 2010. The project consists of constructing two major segments (shown in blue on the attached location map) to provide connectivity to Meadowbrook Road, Haggerty Road and the I-275 shared use trail to the east. The City of Novi was awarded \$146,220 in federal funding through the Michigan Department of Transportation (MDOT) Transportation Enhancement grant program to construct the non-motorized pathway. This grant covers 60% of the estimated \$243,700 construction cost, with the City of Novi responsible for the remaining \$97,480. Design engineering for this path was awarded to OHM in September 2010 in the amount of \$26,710. As required by the grant, the path is currently being designed with a width of 10 feet.

This project requires three permanent sidewalk easements and thirteen temporary grading easements for the construction as shown in the table below:

Vacant	DB Development LLC	50-22-25-400-027	912

As required by the grant, the request and acquisition of each easement is required to follow specific federal guidelines which stipulate the process for requesting the easements and establishes the value of each easement. Permanent and temporary easements are set at 50% and 10% of the assessed property value, respectively. The easement values must be presented to each property owner to notify them of their right to just compensation. However, prior to presenting the offer to each property owner, we are asking that the easements be donated (see attached January 31, 2011 letter). If the property owner chooses not to donate the easement, the City would then be required provide a good faith offer in the amount calculated per the federal grant guidelines as the start to the process to acquire the easement through eminent domain.

Construction is expected to begin in late summer of 2011.

**RESOLUTION CONCERNING THE ACQUISITION  
OF PROPERTY AND APPROVING DECLARATION OF NECESSITY AND TAKING**

City of Novi  
County of Oakland, Michigan

Minutes of a \_\_\_\_\_ Meeting of the City Council of the City of Novi,

Re: Proposed Nine Mile Pathway Project  
Temporary Pathway Easement

Dear Mrs. Frankum:

As you are aware, the City is planning to construct a pathway along the north side of Nine Mile Road between Meadowbrook and Haggerty. As discussed at the December 13, 2010 public information meeting, the proposed pathway crosses frontage of your property and will require a temporary easement for its construction. The proposed easement and associated exhibit has been enclosed for your review. A 10-foot wide temporary grading easement is needed to facilitate the construction of the proposed pathway and would expire once the project is complete.

The City is asking that the easements be donated in an effort to minimize costs for the project. A property owner may choose to donate all or a portion of his or her property that is needed for a project. However, we are obligated by law to determine the fair market value of the easement and offer compensation to the property owner. After being fully informed of his or her rights, the property owner may then decide to donate the easement and waive any right to just compensation.

If you agree to donate the easement, we ask that you complete the attached donation form. The fair market value for the easement was determined based on the value of the property per square foot. We then multiplied that by the area of the proposed easement (per federal guidelines). MDOT and Federal guidelines require that the valuation of temporary easements be set at 10% of that value. The valuation for your property is estimated to be \$242 (see attached Valuation Statement summarizing the calculation).

If you are satisfied with the enclosed easement document and choose to donate the easement, please return one signed, notarized copy of the easement document along with the donation form for our records. If you choose not to donate the easements for the project, please contact our office by March 1st to discuss the next steps in the easement acquisition process.
