MEMORANDUM

TO: KATHY SMITH-ROY, FINANCE DIRECTOR
FROM: MARINA NEUMAIER, ASSISTANT FINANCE DIRECTOR
SUBJECT: 2012 COMMUNITY DEVELOPMENT BLOCK GRANT PUBLIC HEARING INFORMATION
DATE: OCTOBER 12¹⁹, 2011

*10/19/11
 To = Mayor & City Council Members
 For Public Hearing on 10/24.
 [Signature]*

The proposed Program Year (PY) 2012 Community Development Block Grant (CDBG) planning allocation for the City of Novi is **estimated** to total \$85,918. **Funding requests from outside agencies for public service activities were received totaling \$17,000.** The maximum amount the City of Novi is allowed to allocate directly to the public service program category for 2012 is \$12,888, assuming our estimated grant award remains at \$85,918.

UPDATE - PY 2012 Further Reduction in Public Service Cap. Because of decreases in the amount of revolving loan fund (RLF) paybacks to the Home Improvement Program as well as a 17% reduction in federal funding for PY 2011, the public service cap was reduced even further by Oakland County to a maximum of 15% of community allocations. The impact of this action has forced Novi to cut total public service requests by **\$4,112** or 24% in order to stay within the maximum 15% as allowed or \$12,888 (\$17,000 requested - \$12,888 allowed). The public service category allows the City of Novi to fund programs and services such as Youth Assistance and HAVEN.

HCD Committee Recommendation: Funding requests were reviewed by the Housing and Community Development Advisory Committee at their meeting of October 4th and they are recommending the following program allocations for 2012:

| Recommended Projects | | | | | |
|--------------------------|---------------------------------|---|-----------------------|----------------------|-----------------------------------|
| CDBG Program Description | Organization Requesting Funding | Description | 2011 Allocation Award | 2012 Agency Requests | 2012 HCD Committee Recommendation |
| Public Services | HAVEN | Battered and abused spouses | \$ 4,950 | \$ 6,000 | \$ 5,000 |
| Public Services | Novi Youth Assistance | Specialized counseling and camp scholarships | \$ 7,560 | \$ 11,000 | \$ 7,000 |
| | | Sub-total * | \$12,510 | \$17,000 | \$12,000 * |
| Minor Home Repair | City of Novi | Residential repair program for Novi residents | \$73,408 | \$73,408 | \$73,918 |
| | | TOTAL | \$85,918 | \$90,408 | \$85,918 |

*The maximum 15% allocation allowed within the Public Service category for 2012 is \$12,888.

Letters requesting grant funding from HAVEN and Novi Youth Assistance have been included within this packet as additional information.

The Committee agreed to recommend continued funding for both Novi Youth Assistance (NYA) and HAVEN at levels comparable to the current Program Year while still meeting the 15% public service cap. Funding dollars allocated to NYA are used to provide direct intervention services for Novi youth and include counseling, enrichment, skill building and academic support to children who are for various reasons deemed to be at "at risk" or whose families have insufficient financial resources to meet their needs for these activities. The broad goals are: 1) to provide scholarships to allow children (who qualify by income) to attend various summer camps according to their individual interest and needs, 2) to enroll qualifying children in programs that increase skills in various areas and 3) to provide tutoring to qualifying children who can benefit from additional academic support.

HAVEN Guidelines for CDBG Communities: Beginning with the 2007 Program Year, Oakland County now contracts directly with HAVEN as a sole source provider on behalf of participating communities. In the past, each community would contract individually with HAVEN. The contract duration period will be one year and at the end of the contract period, any community balance will be expended for the 24-hour crisis hotline. HAVEN has reported last fiscal year a total of 151 Novi residents received direct assistance from HAVEN by way of shelter assistance, crisis intervention as well as services from HAVEN's Personal Protection Order Office.

Minor Home Repair Program: In addition to our allocation of CDBG funds, Novi offers its residents the ability to participate in the Weatherization Assistance Program (WAP) administered through OLHSA. We were able to **leverage an additional \$34,088 in weatherization funding for our residents in 2010**. The WAP provides free, grant-funded, energy-related home repairs to all eligible low income households to help lower their utility bills and to improve living conditions. Additional information regarding this program has been included within this packet as additional information.

The current wait list for the City of Novi Minor Home Repair program has grown to a total of **131** Novi residents as of October 12th. The table below reflects funding levels for the Minor Home Repair program since 2008. We anticipate the need for the Minor Home Repair program to sustain throughout the 2012 grant year.

| CDBG Program | Description | 2008 CDBG Funding Allocation | 2009 CDBG Funding Allocation | 2010 CDBG Funding Allocation | 2011 CDBG Funding Allocation | 2012 HCD Committee Recommendation |
|-------------------|----------------------------|------------------------------|------------------------------|------------------------------|------------------------------|-----------------------------------|
| Minor Home Repair | Residential repair program | \$66,758 | \$106,754 | \$73,978 | \$73,408 | \$76,918 |

Area-wide Benefit Map: Enclosed with this packet is the current area-wide benefit map as provided by Oakland County which reflects the 2009 low/moderate income block groups from the U.S. Department of Housing and Urban Development. The **Recommended Projects** for 2012 do not include any area benefit type projects such as parks, streets or sidewalk improvements. The projects are strictly city-wide individual income-qualified type projects such as minor home repair or direct benefit projects such as public services which are not dependent on location.

Outside Agency Requests

Marina Neumaier
City of Novi
45175 W. Ten Mile
Novi, MI 48375

Dear Ms. Neumaier:

Violence in families is everywhere, crossing racial, ethnic, cultural, social and economic boundaries. The impact of this violence invades our schools, places of worship, offices, businesses, factories and throughout our neighborhoods. Human beings, both young and old, are being harmed physically, sexually and emotionally and this violence may be creating lifelong patterns of ongoing abuse in youngsters as they move into adulthood. We all pay the cost for the horrible crimes of domestic violence and sexual assault either in real dollars or in diminished potential of human and community life.

Since 1982, HAVEN has been dedicated to building violence-free communities where everyone can live without fear. HAVEN maintains a 24-hour emergency shelter exclusively for domestic violence victims and their children and sexual assault survivors who are afraid to stay in their own homes. HAVEN offers counseling and education that help families stop the violence, begin the process of healing, and create the hope that their future will be free from abuse. The agency steps out into the community – over the phone, in courtrooms, police stations, hospitals, schools, the workplace, and at community meetings – to provide crisis intervention and education to help victims and families prevent violence in future generations. HAVEN staff manages a Personal Protection Order office exclusively for victims of domestic violence and sexual assault located in the Circuit Court system, helping victims with the creation and filing of Personal Protective Orders, at no charge, as the first step in their safety plan.

HAVEN through its comprehensive work serves to break the silence that has kept the crimes of domestic violence and sexual assault behind closed doors. This silence has only served to allow these crimes to flourish. From July 1, 2010 through June 30 2011, 151 individuals were seen within our programs and 57 crisis calls were received from families in the City of Novi who took the first step to break their own silence by contacting HAVEN. The agency is again reaching out to you for support of our work with an even greater need as we assume the burden of increased clientele and additional staff to maintain these vital services. We ask that you continue to support these families through a Community Development Block Grant of \$6,000.00 for fiscal year 2012-2013. Please remember that the federal government presumes that domestic violence victims are considered to be low income and therefore qualify for inclusion in block grant public service requests.

HAVEN looks forward to the opportunity to meet with you this year to provide further information on this request and answer any questions you may have. In the meantime, if you wish to speak with me, I can be reached at (248) 334-1284 ext. 240. Thank you.

Dear Housing and Development Committee Members,

I am submitting this letter along with the 2012 CDGB request letter for Novi Youth Assistance. As you know in the past we have always included letters of support from professionals, community members and clients we have served. Unfortunately, this year the office and Board of Directors has been without a full-time secretary since June. I am still waiting to receive letters and do not have the computer programming which would allow me to simply make changes to the request letter. The absence of a full packet, is not an oversight, but simply staffing at this time. I understand the Committee's timeline and appreciate your consideration in spite of the absence of our usually thorough packet.

Thank you very much for all of the years of continued support.

Sincerely,

NOVI YOUTH ASSISTANCE

September 10, 2011

Housing and Community Development Committee
City of Novi
45125 W. Ten Mile Road
Novi, MI 48375

Dear Committee Members:

Novi Youth Assistance has received and utilized CDBG funding for moderate, low income and special needs youth since 1994. With continuing community support we have consistently honed our ability to identify at risk children who would benefit from recreational, educational and supportive programming. Once again this year, overall grant opportunities were reduced. In spite of this, we still insured a summer recreation program for Novi children at our own expense. Nonetheless, this along with a significant increase in requests for services has regrettably left us struggling, once again, to assist all applicants. As the sole local organization that can regularly provide comprehensive and varied scholarship opportunities within the City of Novi, we continue to find that demand is outpacing donations received. While we have made internal adjustments to stretch our monies as best we can, continued and increased CDBG funding is vital if we are to continue providing programming in 2012-2013 to those who otherwise might go unserved.

Due to the on-going economic downturn we are seeing record number of families requesting assistance with no end in sight at this time. This trend is ever increasing and a number of residents are struggling to provide the basics for their families. This then, inevitably eliminates any options to offer their children positive, healthy activities. Many of these children are then left with unscheduled time which leaves them at risk which, in turn, affects the community as a whole.

Historically, Novi Youth Assistance has been there to provide for those in need when there have been no other options. We continue to strive to do so. The benefit of offering summer programs, skill building activities and other supportive programming is demonstrated over and over again as we see these children move through the schools and community successfully. Therefore, in response to today's economic climate and rising costs, as well as demand for programming and decrease in other funding, Novi Youth Assistance respectfully requests that the members of the CDBG committee consider granting funds for the 2012 budget year in the amount of \$11,000.00.

Dear Mr. O'Brien,

2011

Thank you so much for choosing me as the Nancy O'Kray Scholarship recipient. I feel honored that I will be representing Novi Youth Assistance next year at Michigan State University. It was such a pleasure meeting you at Honors Night and I hope our paths meet again. I am blessed for this opportunity.

Thanks again,

Dear Brien O'Meara and Novi Youth Assistance,

Thank you very much for naming me the outstanding student volunteer of the year. This means so much to me and it is an honor to be selected. All my life I have worked hard to make a difference in my community and I am happy and thankful to be recognized. I hope to continue volunteering next year as a Shipman Scholar at the University of Michigan. I know my service will continue in Ann Arbor.

Thank you for the gift card and savings bond, I plan to use them to buy books next year. I apologize for being unable to attend the event, I had a class at OCC. Thank you for everything NYA does in our community and thanks again for selecting me.

Thank you!

Dear Novi Youth Assistance,

Thank you so much for the \$300 scholarship for my daughter, Eloise. This money is a true Godsend. For the first time in years she will be able to finish the school year with me not owing money to the CARE program. I really appreciate your wonderful program and how generous you've been to us over the years. Thank you.

Dear Donor,

On behalf of the Novi High School Senior All Night Party, we would like to express our sincerest heartfelt thanks for your generous donation. Without your support, this event would not be possible.

We have been hard at work creating a fun, safe and supervised environment for the graduates to celebrate after their commencement ceremony. Please join us to experience the amazing transformation of the High School at our Donor Walk-Through on Saturday, June 4th between 11:30 A.M. and 1:00 P.M. at Novi High School.

We truly appreciate all of your support for our students and look forward to seeing you on June 4th. Again, thank you for your donation.

Dear Novi Youth Assistance,

My boys and I have had some difficult challenges lately. Only through the help, support and guidance from our Church, Schools and Community Resources, such as Novi Youth Assistance are we making it through. I want to thank you from the bottom of my heart for all you have done for us asking nothing in return. Thank you for the wonderful Thanksgiving Dinner my boys and I really had a feast! Mostly, thank you for giving my boys a Christmas that I never could have given them.

Our family would like to say Thank You very much to The Girl Scout Troop and Now Youth Assistance for making this a wonderful Christmas for my kids and family. Without organizations like yours the holidays would be so much harder on children.
So Once again Thank You so very much.

To the wonderful family who made our christmas so amazing this year in such hard times. I know when my mom and I picked up from the youth center we were just amazed at how much there was thank you so much. I know when my boys woke up christmas morning and walked out to see what santa had brought them they were both so flabber gasted that there was so much and the look on their faces was just enough to you smile and cry at the same time. I know I personally love every thing and so do Brendon and Trevor, The eskimo coat as my boys call it has kept me so warm and so have the flannel sheets also the bracelet and the ear rings are so nice, The boys are also enjoying their coats, hats and gloves they also keep them warm. Brendon just told me the other day he loves the comforter and sheets and that he is sleeping like a baby. Trevor said his favorites are the transformers and the movies that he is watching over and over again. I would also like to thank you for the extra money I know that also came in very handy that I was also able to fo out and get them a couple of things from me. We just wanted to tell you thank you so much from the bottom of our hearts the

Dear Board of Directors of Novi Youth Assistance,

I wish that I knew each of your names so I could thank you individually for the 'ModelMe' CDs that you purchased for me and the students at Novi Woods Elementary School. They are a fabulous base for learning social skills and lend themselves to other activities which will reinforce the life-long skills that are so important to our children. I shared the knowledge of your generosity with our principal, Pam Quitiquit.

I have been a school social worker in the Novi Community Schools for fourteen years...ten years at the Middle School, and I am in my fourth year at Novi Woods. During this entire time, Novi Youth Assistance has been there for our families, students and teachers in so many important ways. I know that, whenever I refer families to NYA for counseling support, they will be treated with the utmost respect and given insight into whatever is troubling and difficult at the time. More and more families are experiencing financial difficulties, and NYA tries to be supportive in every way possible. We are so fortunate that NYA is so involved in our community!!

Thank you for all that you do!!

To Whom It May Concern:

Our family would like to take this time to thank your organization whole heartedly for the wonderful Christmas gifts received. He could not believe how generous and loving people could be during this holiday season. Your organization showered a little boy with so many wonderful presents; he states that he is very special in such a magical and enlightening way. His face lit up with such joy and excitement. We thank you for all the gifts which we received. .

We hope that this organization continue to stay committed to the goal of touching the hearts of many families throughout the community as you have touched ours. Words can never express our gratitude and appreciation. On behalf of , we thank and support this organization for providing such support, and thoughtfulness. Thank You.

To: Novi Police Department
From: The [redacted] Family ([redacted] especially)
Attn: Chief Molloy

KEN -
THANK YOU FOR TAKING
THE TIME WITH
AND RESTORING HIS
FAITH IN OUR TRUSTED
PROFESSION! GREAT WORK
DAVID M.

Dear Chief Molloy,

This past New Year's Eve my son (age 7) was given the opportunity to experience a personal guided tour of Novi Police Headquarters by Sergeant Kenneth Meier and it changed his mind. I know it may sound strange to hear a 7 year old boy like [redacted] would need to have his mind changed about anything to do with the police or law enforcement – but he did and Sergeant Meier was just the officer to do it.

C: PS
ADM:
PER. FU
e-we

Last summer when [redacted] was 6 years old, he had an experience which left him feeling very afraid of the police – he actually saw the police as people to avoid and was anxious at the thought of being near a police officer. After the summer incident occurred, our case was forwarded to Claudia Walter in Novi Youth Assistance; through the process and final assessment it was clear to her a possible lasting effect for [redacted] could be his continued fear of the police.

As a possible way to overcome this, Claudia suggested a personal tour of the police department; both [redacted]'s dad and I agreed this was important. We felt it so important for [redacted] to grow up with a positive image of the police and not to look at them as people to be feared.

So the tour took place on Friday, December 31 at 10am and I am happy to report the visit was a success. Though on our way to the police station [redacted] wanted nothing to do with the tour, after about 5 minutes with Sergeant Kenneth Meier he was comfortable and went ahead inside with no coaxing from me whatever.

On his tour [redacted] came into contact with several very friendly people who were happy to speak with him and tell him about their job at the police department. Those people were: Kelly & Kelly in the 911/dispatch area, Detective Mike Wilson and Officer Jeremy Stempien. Everyone greeted [redacted] with a smile and warm welcome; it was an experience which truly changed his mind.

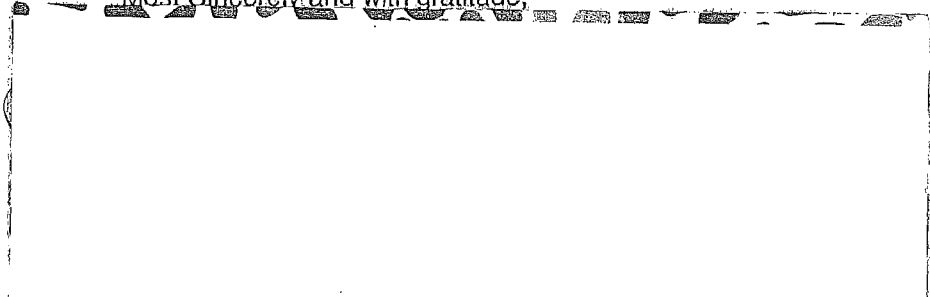

On our way home in the car [redacted] told me he thought, "The police are awesome." Then later that evening he could not stop telling our family and friends all about his special tour and how the Sergeant gave him a badge (which he continued to wear all night).

In short, this is a letter of thanks. [redacted] his dad and I all want to thank each and every one of you for doing what you do – and in this case going above and beyond for one little boy.

In addition, [redacted]s dad and I want to sincerely extend our gratitude for the way all of you worked together to go out of your way to turn around an unfortunate incident and leave [redacted] feeling intact, as well as positive about law enforcement and the police.

We realize we are very lucky to live in a city like Novi where there are resources available who not only care about what they do, but truly care about the people in the community. Please extend our thanks to your team and let them know they made a big difference that day.

Most Sincerely and with gratitude,

To our friends at NYA,

Thanks so much for helping
us. We'd like to repay the kindness to
another family

Sincerely,

The Family

Dear all,

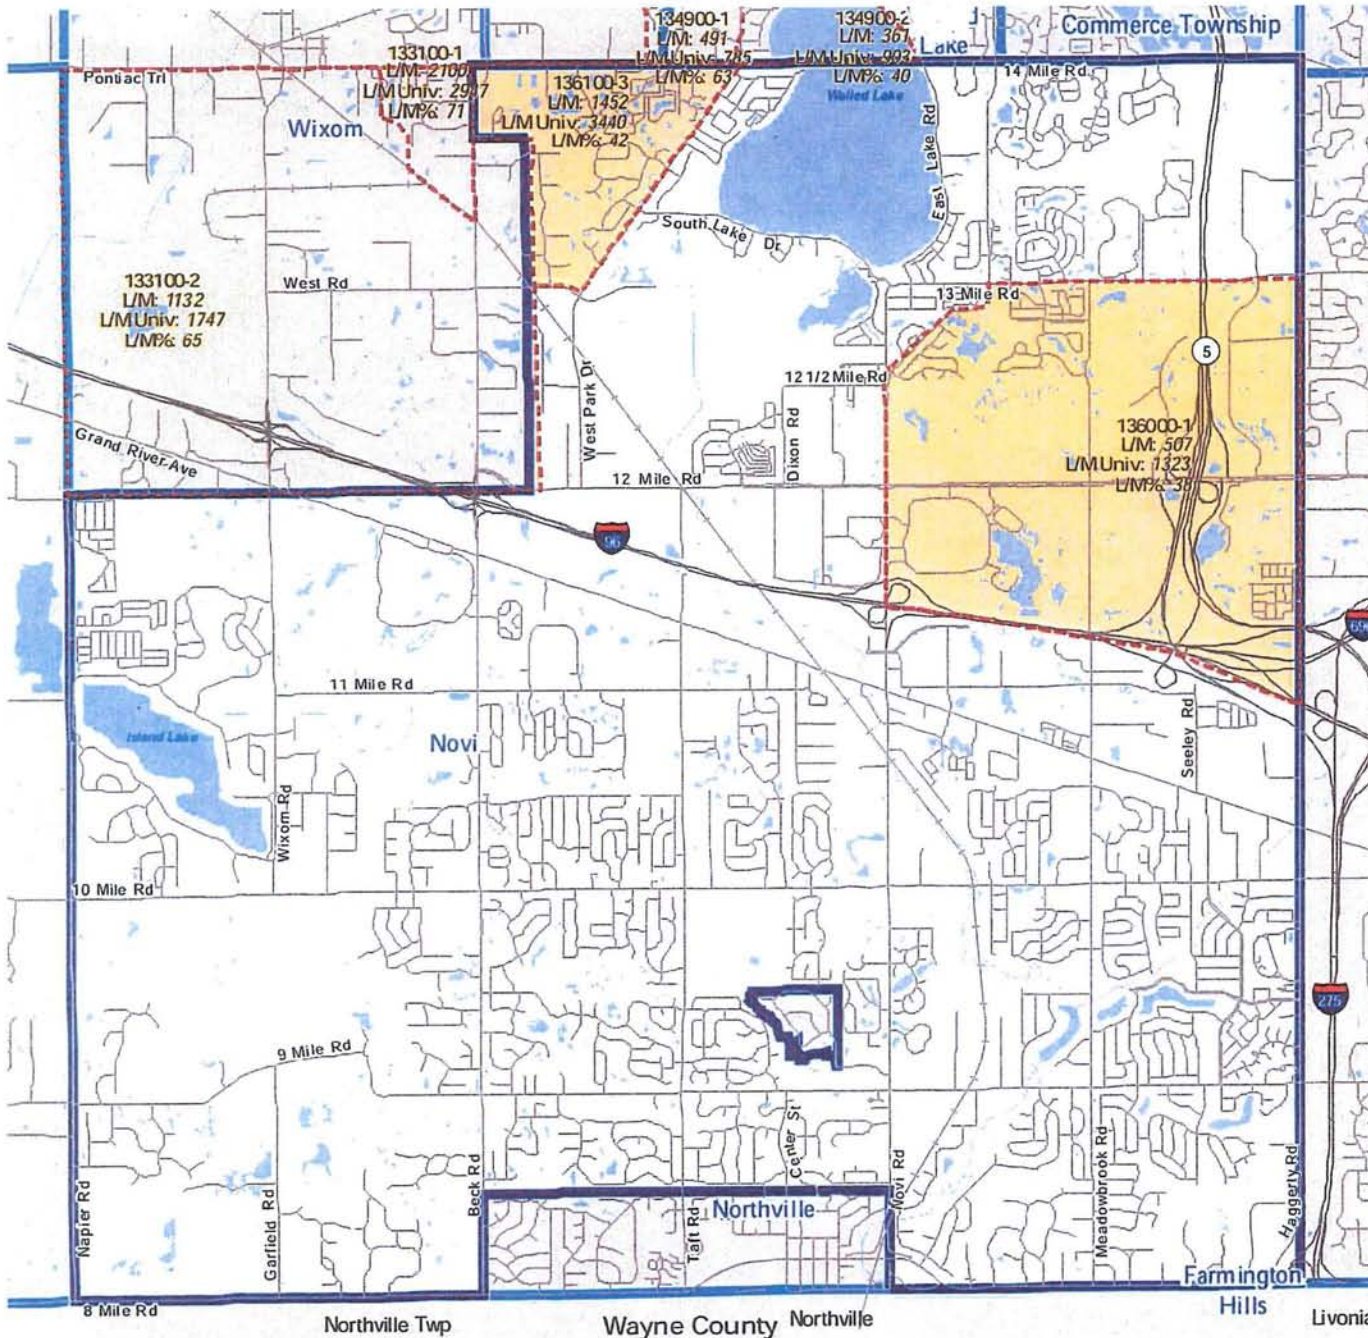

Thank you all so very much
for making Our Holiday

you & yours!

Weatherization
Assistance
Program

June 21, 2011

Dear City Clerk Maryanne Cornelius,

As a caring member of our local community we know you are committed to the financial empowerment of those you serve and we would like to increase your awareness of our work here at Oakland Livingston Human Service Agency's Weatherization Assistance Program.

Since its inception in 1976, the Weatherization Assistance Program has gained a solid reputation as the nation's core program for delivering energy-efficiency services to low-income households. Weatherization's professionally trained crews use the latest energy audit technologies to identify energy-saving strategies in single-family, multi-family, and mobile homes.

OLHSA's Weatherization Assistance Program is a **FREE** program that can help make a home more comfortable, safer for families, lower utility bills and help save money! Participants in this program you will be eligible for **FREE** services which may include a home energy audit, added insulation, furnace and hot water heater repair or replacement, air leakage reduction, energy education and much more.

In February of 2009 President Obama signed into action the American Recovery and Reinvestment Act. These ARRA funds allowed OLHSA to increase our annual production from an average of 300 houses each year to approximately 1000 houses in Oakland and Livingston Counties per year, but these resources are now limited.

The Weatherization Assistance Program is still accepting applications, but we are down to the last few months of spending out our funding and we want to help as many people as possible before the funding runs out! We believe there are great possibilities for Weatherization and our community leaders to establish a unique relationship whereby both can more effectively serve our local community through information exchange and coordinated efforts.

Please consider this letter a personal invitation to request more information, partner in outreach events, or even view an on-site demonstration of the Weatherization Assistance Program. In efforts to offer this great opportunity to as many people possible, the Energy Services Team is always looking for new opportunities to promote our program. If you would like to help and/or are interested in learning more or would like a Weatherization presentation, please contact us at 248.209.2760 or 517.546.8500.

Help us help your community!

Sincerely,

Weatherization Works for Us!

"We now have hot water and for this alone we owe all much appreciation. Boiling water on the stove to wash dishes and fill the bath was wasteful and could only lead to an accident someday"

Thankful Recipient, Oakland County

"I just had to thank you again for weatherizing my home. The neighbors burned leaves and branches and for the first time ever, the smoke did not get into my house. Thank you from the bottom of my heart."

Mary, Hamburg

"It has made a big difference in the comfort of my home, and I can't wait to see a reduction in heating and cooling bills as well, which will be very welcome."

Nathaniel, Oakland County

"I want to thank all of you at OLHSA for helping me, and especially for the new refrigerator. God Bless you all."

Elizabeth, Brighton

"How blessed I am with the new windows, vents, weather stripping, duct sealing, furnace inspection, plus the water heater and new fridge. By God's grace and the goodness of OLHSA, I am extremely blessed and looking forward to a more cozy winter. Again, thank you so very, very much."

Lorraine, Oxford

"The weather stripping, door brushes, the dryer vent, and the storm windows are also already a great cost help and I'm sure will lower the cost of my budget plan with consumers. It's a win-win situation."

David, Holly

"Thank you with all my heart OLHSA for providing me with free insulation, vents, and new doors for the home I lived in 64 years. I am a widow 87 yrs old and moved here to Royal Oak when I was 23. Where have the years gone? I raised 4 children in this house. I would not have been able to afford the above services. From my heart, thank you."

Blanche, Royal Oak

Weatherization Works!

The low-income Home Weatherization Assistance Program is a FREE service funded by the Federal Department of Energy (DOE) and administered by the Michigan Department of Human Services (DHS). The program provides free energy conservation services for eligible low-income households. DHS contracts with Oakland Livingston Human Service Agency (OLHSA) to operate the program. The Agency determines applicant eligibility, performs the necessary inspections and contracts with qualified, licensed and insured private contractors to complete the work. Their services reduce energy use and lower utility bills, thus creating more self sufficient households.

Energy savings services may include:

- Combustion appliance testing
- Installing ceiling insulation/ventilation
- Sidewall and floor insulation
- Interior sealing of major cold-air infiltration areas, utilizing blower door technology

Eligibility

- Families and individuals who are interested in having their home weatherized must meet current federal income guidelines, which includes the gross income of everyone residing in the home at the time of application
- Recipients of FIP, SSI or SDA who have received benefits during any part of the past twelve months are automatically eligible
- Applications must be residents of Oakland or Livingston County

How to Apply

- You must contact OLHSA to apply for services
- All applicants must provide proof of income for the previous three months
- Proof of income could include one or more of the following items:
 - "Award" letter from Social Security
 - Pay stubs with year to date totals
 - Letter from applicant's employer
 - Unemployment check stubs
 - Most current W-2 or 1040 tax statement

Homeowner must provide one of the following pieces of documentation:

- Recorded deed with name and address
- Recorded land contract

Mobile home owner must provide:

- Title with applicant's name

Renters must have landlord:

- Complete and sign landlord agreement
- Provide proof of ownership (see homeowner above)
- Provide rental or lease agreements signed by both landlord and applicant
