

CITY of NOVI CITY COUNCIL

Agenda Item I
March 26, 2012

SUBJECT: Approval of MERS Hybrid Program (Benefit Program H) and Defined Contribution Component Resolutions for POLC (Police Officers Labor Council) new hires effective April 1, 2012, pursuant to the arbitration ruling on March 15, 2012.

SUBMITTING DEPARTMENT: Human Resource, Finance, City Managers

CITY MANAGER APPROVAL: 

BACKGROUND INFORMATION:

Many public-sector employers have been overhauling their OPEB programs by limiting contributions or eligibility, or dropping the benefit for future or even current retirees. The changes are being driven by accounting rule changes that now force public-sector employers to recognize a liability of any unfunded annual required contributions to the plan.

The trend to recognize and reduce future legacy costs is not a new concept in Novi. Novi has taken steps to limit the City's exposure to future pension liabilities by closing the Defined Benefit Pension Plans within the following groups:

Effective for employees hired after:

May 1, 2006 – Administrative employees;

December 1, 2006 – MAPE (formally Teamsters);

July 1, 2007 - Library employees;

June 1, 2009 – Full-time Firefighter employees.

These groups now participate in the Municipal Employee's Retirement System (MERS) Defined Contribution (DC) program. The City of Novi contributes 8 % of eligible earnings and each member contributes 3 % to an individual account established for each administrative and MAPE participant. For the library employees, the library contributes 6 % of eligible earnings and each member contributes 3 % to an individual account established for each participant. For firefighter employees, the City contributes 10 % of eligible earnings and each member contributes 6 % to an individual account established for each participant.

The DC plan maintains a schedule of vesting, with the participants becoming fully vested upon completion of seven years of continuous service. The contribution requirements of plan members are established and may be amended by the City Council in accordance with City policies, union contracts, and MERS plan provisions.

MERS plan document has been revised to require an 80% funding level of both the division and the entity as a whole, to close a defined benefit plan, and create a defined contribution plan. The funding level requirement as of July 1, 2012 will be 100%. The City's total defined benefit plan funding percentage as of the last actuary report dated December 31, 2010 was 69.9%. As an alternative to the defined contribution plan, MERS has a plan offering called a Hybrid plan, which is not subject to the funding level requirements.

The MERS Hybrid [H] Plan was established in 2006 as a new benefit plan that a participating municipality or court may adopt for its employees. The program is available to all MERS employers and may be adopted on a division-by-division basis. Hybrid [H] is two plans combined into one. Hybrid [H] Part I – Defined Benefit (DB) is a modest DB portion with a promised lifetime benefit. Hybrid [H] Part II – Defined Contribution (DC) provides flexibility and portability to the employee.

During negotiations with the POLC group, the City offered the Hybrid plan for new hires, to continue the policy direction to eliminate defined benefit plans. On March 15, 2012 the arbitration award was rendered for the POLC group. The decision was awarded in favor of the City, and included the following key Hybrid plan provisions:

- The Hybrid Plan is required for POLC employees newly hired after March 31, 2012. The Defined Benefit plan requires a 1.5% multiplier and the Defined Contribution Plan requires a 3% employee contribution and a 2% employer contribution.
- Vesting for the Defined Benefit Plan shall be six (6) years. Vesting for the Defined Contribution Plan is 25% after three (3) years, 50% after five (5) years and 100% after seven (7) years. Normal retirement age for the Defined Contribution Plan shall be age 50.
- The 55/25 rider has been added to the Defined Benefit component of the Hybrid Plan.
- Eligible earnings for contributions (also used for the computation of final average compensation – FAC) shall be based on base salary and holiday pay.

The enclosed documents will establish the Hybrid Plan as specified above.

The COAM (Command Officers Association of Michigan) group will be the only unit left with a defined benefit plan.

RECOMMENDED ACTION: Approval of MERS Hybrid Program (Benefit Program H) and Defined Contribution Component Resolutions for POLC (Police Officers Labor Council) new hires effective April 1, 2012, pursuant to the arbitration ruling on March 15, 2012.

II. OPTIONAL PROVISION FOR CURRENT MERS DEFINED BENEFIT MEMBERS WHERE HYBRID PROGRAM FOR NEW EMPLOYEES ESTABLISHED (FOR TRANSFERS FROM MERS DEFINED CONTRIBUTION PROGRAM, SEE SECTION III)

(Plan Sec 19B(13)-(16))

THIS OPTIONAL SECTION SHALL ONLY BE SELECTED WHERE THE TOTAL FUNDED PERCENT OF AGGREGATE ACCRUED LIABILITIES AND VALUATION ASSETS OF ALL RESERVES SPECIFIED IN TABLE 13 (OR SUCCESSOR TABLE) FOR THE PARTICIPATING MUNICIPALITY OR COURT, AND FOR THE AFFECTED MEMBER BENEFIT PROGRAM CLASSIFICATION(S) (DIVISION(S)) SPECIFIED IN THE MOST RECENT MERS ANNUAL ACTUARIAL VALUATION REPORT IS AT LEAST EIGHTY PERCENT (80%).

IT IS ADDITIONALLY RESOLVED, as provided in each of the following paragraphs:

(A) Effective on the **Adoption Date**, pursuant to Plan Section 19B(13):

all current MERS defined benefit members who are members of the same employee classification described in Section I above on the Adoption Date shall be offered the opportunity to irrevocably elect coverage under Benefit Program H. Section 19B(14) specifies an employee's written election to participate shall be filed with MERS: (a) not earlier than the last day of the third month after this Resolution is adopted and received by MERS; and (b) not later than the first day of the first calendar month that is at least six months after MERS receives this Resolution. This means each eligible employee will have about 90 days to make the decision.

After MERS receives this Resolution, this governing body's authorized official and eligible employees will be advised by MERS of the election window timelines and other information to consider in making the irrevocable decision whether to participate in Benefit Program H.

Participation for those electing coverage shall be effective the first day of the first calendar month at least six (6) months after MERS' receipt of the Resolution, here designated as being the month of _____, 20____, (insert month and year) which shall be known as the "**CONVERSION DATE.**"

The opportunity for current employees on the **Adoption Date** to participate in the Hybrid Program shall (select 1 of the following 2 choices):

- apply to all employees who separate from or terminate employment with this municipality after the **Adoption Date** and before the **Conversion Date**, so long as the employee does not receive a retirement allowance (including distributions from Benefit Programs DC or H) from MERS based on service for this municipality.
- not apply to any employee who separates from or terminates employment with this municipality after the Adoption Date.

MERS Restated Uniform Hybrid Program (Benefit Program H) Resolution

(B) **CONTRIBUTIONS** shall be as provided in Section I (A) above.

(C) **COMPENSATION AND EARNINGS** shall be as provided in Section I (B) above.

(D) **HYBRID PLAN VESTING** shall be as provided in Section I (C) above.

(E) For each employee irrevocably electing to participate in Benefit Program H, then under Plan Section 19B(16), the Retirement Board shall transfer the following amounts from the reserve for employee contributions and the reserve for employer contributions and benefit payments to the reserve for defined contribution plan:

- (a) The member's accumulated contributions, if any, as of 12:01 a.m. on the day the member becomes covered by Benefit Program H shall be transferred from the reserve for employee contributions to the member's credit in the reserve for Benefit Program H Defined Contribution component.
- (b) The funded excess present value shall be computed as the excess, if any, of the actuarial present value of the accrued benefit associated with the member's coverage under the previous benefit program, over the actuarial present value of the accrued benefit associated with the member's coverage under the defined benefit component of Benefit Program H, after such excess is multiplied by the funded level percentage selected by the governing body in subparagraph(F)(2) below (which shall not be less than 80% nor exceed 100% funded level percentage in any case). The excess, if any, of the funded excess present value over the amount specified in sub-paragraph (a) shall be transferred from the reserve for employer contributions and benefit payments to the member's credit in the reserve for Benefit Program H Defined Contribution component. For purposes of this subparagraph:
 - (i) The actuarial present values shall be computed as of 12:01 a.m. on the day the member becomes covered by Benefit Program H and shall be based on the actuarial assumptions adopted by the Retirement Board.
 - (ii) On the effective date of the change of the benefit program the member's credited service under Benefit Program H shall be equal to the member's credited service under the previous benefit program.
 - (iii) In determining final average compensation there shall not be included any accrued annual leave.
 - (iv) The earliest retirement date (for an unreduced benefit) assumption under the defined benefit program in effect on the effective date of the change of the benefit program shall be utilized. Likewise the earliest retirement date assumption under Benefit Program H shall be utilized.
 - (v) For purposes of the actuarial present value calculation, any future benefit otherwise payable under Benefit Program E or E-1 shall be disregarded.

The transfer shall be made approximately 30 calendar days after the **Conversion Date**, and the transfer amount shall include pro-rated regular interest at the regular Board-established rate for crediting of interest on member's accumulated contributions in the defined benefit program, measured from the **Conversion Date** to the actual transfer date.

MERS Restated Uniform Hybrid Program (Benefit Program H) Resolution

(F) Per Plan Section 19B(16)(b), the Retirement Board has established the assumptions for calculation of the actuarial present value of a member's accrued benefit that may be transferred. The assumptions are:

- (1) **The interest rate in effect as of the Adoption Date, to determine actuarial present value, shall be the Board-established investment earnings rate assumption (currently eight percent (8.00%)).**
- (2) **The funded level for the member's specific MERS division** (total funded percentage of the present value of accrued benefits which shall be determined using Termination Liability under Table 12 or successor table and valuation assets of all reserves using Table 13) as of the Adoption Date from the most recent MERS annual actuarial valuation report data provided by MERS actuary. In the APV calculation, the funded level used shall be (select one of the following):
 - Table 12 Termination Liability funded level for the division (not less than 80% nor to exceed 100% funded level).
 - If greater than the division's funded level but not more than 100% funded level, then MERS is directed to compute the funded percentage for the transfer calculation on _____% funded basis (insert number greater than the division's Table 12 Termination Liability funded level percentage but not more than 100%). Where less than 100% funded level exists, this governing body recognizes that such direction shall increase its pension funding liability. MERS shall not implement such direction unless the governing body forwards to MERS sufficient cash up to the funded level selected for all members prior to the **Conversion Date**; if sufficient cash is not forwarded, then the governing body expressly covenants with MERS and directs, as a condition of this selection, to MERS billing and the governing body remitting to MERS all contributions necessary to fund the unfunded liability occasioned by the aggregate transfer of the difference between the actual funded level for the division and funded level directed above over a period of four (4) years.

III. TRANSFER OF CURRENT MERS DEFINED CONTRIBUTION PROGRAM MEMBERS WHERE HYBRID PROGRAM FOR NEW EMPLOYEES ESTABLISHED Plan Sec 19B(13) – (15), (17)

IT IS ADDITIONALLY RESOLVED, as provided in each of the following paragraphs:

- (A) Effective on the **Adoption Date**, pursuant to Plan Section 19B(13) all current MERS defined contribution members who are members of the same employee classification described in Section I above on the **Adoption Date** shall be offered the opportunity to irrevocably elect coverage under Benefit Program H. Section 19B(14) specifies an employee's written election to participate shall be filed with MERS: (a) not earlier than the last day of the third month after this Resolution is adopted and received by MERS; and (b) not later than the first day of the first calendar month that is at least six months after MERS receives this Resolution. This means each eligible employee will have about 90 days to make the decision.

After MERS receives this Resolution, this governing body's authorized official and eligible employees will be advised by MERS of the election window timelines and other information to consider in making the irrevocable decision whether to participate in Benefit Program H.

The opportunity for current employees on the **Adoption Date** to participate in the Hybrid Program shall (select 1 of the following 2 choices):

- apply to all employees who separate from or terminate employment with this municipality after the **Adoption Date** and before the **Conversion Date**, so long as the employee does not receive a retirement allowance (including distributions from Benefit Programs DC or H) from MERS based on service for this municipality.
- not apply to any employee who separates from or terminates employment with this municipality after the **Adoption Date**.

(B) CONTRIBUTIONS shall be as provided in Section I (A) above.

(C) COMPENSATION AND EARNINGS shall be as provided in Section I (B) above.

(D) HYBRID PLAN VESTING shall be as provided in Section I (C) above.

(E) For each employee irrevocably electing to participate in Benefit Program H, then under Plan Section 19B(17), the following shall apply:

- (b) For purposes of calculating benefit amounts under the defined benefit component of Benefit Program H, only credited service earned after 12:01 a.m. on the day the member becomes covered by Benefit Program H shall be recognized.

IV. THIRD PARTY ADMINISTRATION

The Municipal Employees' Retirement Board retains full and unrestricted authority over the administration of MERS Benefit Program H, including but not limited to the appointment and termination of the third-party administrator, or MERS self-administration of the defined contribution program in whole or in part.
