CITY of NOVI CITY COUNCIL

Agenda Item F
June 18, 2012

SUBJECT: Approval of adoption of Ordinance 12-113.03, an Ordinance to amend the City of Novi Code of Ordinances, Chapter 25, "Parks and Recreation," Article IV, "Parks and Recreation Protection," Division 1, "Generally," Section 25-63, "Firearms and Fireworks," in order to incorporate changes to state law regarding both firearms and fireworks and to confirm that ignition and discharge of fireworks is not permitted in parks. **SECOND READING.**

SUBMITTING DEPARTMENT: Public Safety *DM*

CITY MANAGER APPROVAL: *[Signature]*

BACKGROUND INFORMATION:

This proposed ordinance amends the existing provisions of the City's parks and recreation ordinance that prohibit the discharge of fireworks in the City's parks. The recently-adopted Michigan Fireworks Safety Act, Act 256 of 2011, purports to preempt certain local regulation of the discharge of consumer fireworks, which are fireworks that are designed to produce visible and/or audible effects by combustion--firecrackers, Roman Candles, bottle rockets, and the like--on national holidays, as well as the days before and after the holidays. It does permit the City to prohibit the discharge of such fireworks on others days.

However, it also permits prohibition of the discharge of fireworks on certain public properties without permission, at MCL 28.462:

(1) A person shall not ignite, discharge, or use consumer fireworks on public property, school property, church property, or the property of another person without that organization's or person's express permission to use those fireworks on those premises.

This proposed ordinance would expressly confirm the City's current prohibition on discharge within the City's parks, and would update the reference to fireworks to include the new definitions in the new statute.

The attached revised ordinance also takes the opportunity to update the provisions relating to firearms as well. Currently, the ordinance strictly prohibits them in City parks, which is inconsistent with more recent provisions of state law relating to the carrying of firearms.

RECOMMENDED ACTION: Adoption of **SECOND READING** of Ordinance 12-113.03, an Ordinance to amend the City of Novi Code of Ordinances, Chapter 25, "Parks and Recreation," Article IV, "Parks and Recreation Protection," Division 1, "Generally," Section 25-63, "Firearms and Fireworks," in order to incorporate changes to state law regarding both firearms and fireworks and to confirm that ignition and discharge of fireworks is not permitted in parks.
