BACKGROUND INFORMATION:

This project contains multiple parking lot and access drive projects funded by various sources in both FY11-12 and FY12-13. The project includes the rehabilitation of nine city parking lots: Novi Ice Arena (includes access drive), Ella Mae Power Park, Police Station (east and west lot), Fire Stations 1-4, and the CEMS lot. It was determined during the design phase that the project costs would likely exceed the budgeted amount and that some work would be phased and completed in a future year. The rehabilitation for all nine parking lots was bid together since there is similar work involved at each location. The rehabilitation methods to be used range from complete pavement removal and

replacement to minor patching and repairs. Drainage improvements will also be completed in some locations where appropriate.

Seven bids were received and opened on July 1, 2012 following a public bid solicitation period. The lowest bidder is Nagle Paving Company. Nagle's bid is recommended as being in the best interest of the City as it is responsive (i.e., Nagle has complied with all requirements of the bidding instructions) and it is the lowest price. (OHM's award recommendation letter including the bid tabulation dated August 2, 2012 is attached.) A summary of the bids by Division is enclosed.

After reviewing the bids received and discussing with Public Safety and Parks staff, the rehabilitation of Divisions A, B, C, E, and J are being recommended for completion at this time. The design of the remaining work (which includes CEMS, Fire Stations 2, 3, and 4 and the west parking lot at Police Headquarters) is complete and ready to be rebid in a future budget year when funding is available.

This project was included in the FY2011-12 and FY2012-13 Capital Improvement Program (CIP) in the budgeted amount of \$996,760 for construction and engineering (total budget spread over two fiscal years), of which \$81,046 was awarded for design engineering, \$818,066 is now being recommended for award to Nagle for construction, and \$83,727 is also recommended for award to OHM for construction engineering services (a separate item on this agenda) for total contract awards in the amount of \$982,839. The table below shows the funding by fiscal year source for the various divisions of the project.

Project Division	FY11-12 Budgeted Amount (Source)	FY 12-13 Budgeted Amount (Source)	Total
Novi Ice Arena (Access Road)	\$66,000 (Municipal Street Fund)		\$66,000 (Municipal Street Fund)
Novi Ice Arena Parking Lot		\$250,000 (Ice Arena Fund)	\$250,000 (Ice Arena Fund)
Power Park Access Drive and Parking Lot	\$167,690-Access Drive (Parks Recreation Fund)	\$310,000-Parking Lot (Parks Recreation Fund)	\$477,690 (Parks, Recreation Fund)
Fire Station 1 Parking Lot		\$86,650 (General Fund)	\$86,650 (General Fund)
Police Station East Parking Lot		\$116,420 (General Fund)	\$116,420 (General Fund)
TOTAL	\$233,690	\$646,650	\$996,760

Construction is scheduled to begin in September 2012 and completion is anticipated this construction season.

RECOMMENDED ACTION: Approval to award a construction contract for the 2012 Parking Lot Improvements project at Novi Ice Arena (access drive and parking lot), Ella Mae Power Park (access drive and south parking lot), Fire Station 1, and Police Headquarters (east parking lot) to Nagle Paving Company, the low bidder, in the amount of \$818,066.
