Barn Removal & Township Hall Progress

David Wittbrodt (GAEL, LLC) has finished marking the inside of both barns and has made progress removing parts of the exterior of the west barn. He is on schedule to complete the removal of both barns by February 28, 2009. Township Hall has been successfully relocated to its new site in Fuerst Park. Construction of the new restroom facility is underway. The project is scheduled to be complete in the beginning of January.
