Interested in giving back?

Did you know that regular volunteer work, more than any other activity, increases life expectancy? Volunteering is very rewarding to both the volunteer and recipients. Novi Senior Center relies on volunteers to help with special events, food commodity programs, bingo, cards, tutoring, ect. So come on in, fill out a volunteer application and become involved with your community. Contact Jan McAlpine at 248-347-0421 with any questions.

Senior Transportation

The Senior Transportation Scheduling desk is staffed from 7am-4:30pm. A scheduler is available to take calls for new appointments, help with call backs and any general questions.

Any calls concerning transportation should be made by calling 248.735.5617. If you can not get through immediately, please leave your message and you will be called back within twenty minutes. The scheduler could be on the phone with another client or has stepped away from the desk.

One way cost is \$3 within City limits and \$5 outside of the City of Novi for medical appointments only.

The transportation service is for City of Novi residents 55 years of age and older and is a wonderful way to get around town if you no longer drive or just love the convenience of curb to curb service. Please call the transportation desk at 248.735.5617 for more information.
