

# Youth Volleyball Tournament

The Novi Parks, Recreational and Cultural Services hosted their first end-of-season volleyball tournament on Saturday, February 25, 2012. All six 5/6 grade teams participated in this exciting event to cap off a fun and exciting season. Each girls received a participation medal and hot pink, 'Eat, Sleep, Play Volleyball' T-shirt. The department looks to expand on these special events to supplement our successful youth sport leagues!
