Barbara McBeth, AICP, Community Development
SUBJECT: Planning Commission Meeting on April 2, 2008
DATE: March 4, 2008

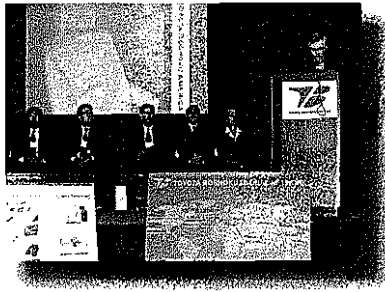

Please note that we have identified an error on the 2008 City Calendar for the scheduled meeting dates of the Planning Commission in April. The calendar identifies Tuesday, April 1st as the first Planning Commission meeting in April. We have previously indicated that the first meeting date will be Wednesday, April 2nd. Any public hearing notices that we send will correctly identify the date as April 2nd and the webpage will note the correction in the meeting date to April 2nd.

Please contact the Community Development Department if there are any questions about this matter.
