We have reviewed the sign permit application that you recently submitted for the above business to this Department. At this time the application is **DENIED**. This tenant does not have a pedestrian entrance to the business from outside the building that is required under Sec 28-5(3)f of the Novi Sign Code, which was based on the approval for the sign for the former tenant in this space.

You may apply to the Zoning Board of Appeals for a variance request within thirty (30) days of the date of this letter. After the thirty day limit, your application will be regarded as abandoned. Your contact person for the Zoning Board of Appeals is Robin Working in the Building Department. You may reach her at 248-347-0580.
