**REMARKS FROM THE CHAIRPERSON**

Chairperson Thomas thanked the committee members for taking the time to participate on this committee. She shared the importance of the community having reliable electrical service, a robust broadband offering that included service options for each residence, and consistently fast speeds and reliability.

**MATTERS FOR COMMITTEE DISCUSSION**

1. Presentation on Fiber and Power Outages

Mr. Petty presented a map outlining the known residential fiber in the city based on permit data. He also presented known power outage data collected by the city. The main collection method is notification by community members informing the city of downed power lines etc.

**ROUNDTABLE DISCUSSION**

The committee discussed moving forward on a Master Plan for Broadband, future meeting dates and gathering information on questions the committee has for a potential future meeting with DTE.
