CITY MANAGER APPROVAL: 

EXPENDITURE REQUIRED	\$ 1,565
AMOUNT BUDGETED	\$ 4,151,581 (FY 2017-18 Budget Rollover)
APPROPRIATION REQUIRED	N/A
LINE ITEM NUMBER	592-592.00-976.029

BACKGROUND INFORMATION:

The Nine Mile Gravity Relief Sanitary Sewer Project involves the construction of sewer along Nine Mile from Kensington Road to Evergreen Court. Staff identified the project as high priority to eliminate the concern for redundancy of the Park Place pump station. Given the current proximity of the Park Place station, which is 1.6 miles from the closest gravity outlet (near Kensington Drive), a failure on the existing force main could result in sanitary service interruption and/or a major sewage overflow.

This project requires the acquisition of several easements prior to construction. During the design process, one temporary easement were identified from 48733 Nine Mile (parcel 50-22-29-376-018). The enclosed letter was sent to the property owner requesting a donation of the temporary grading permit. The letter also informed the property owner they are entitled to just compensation for the fair market value of the requested easements.

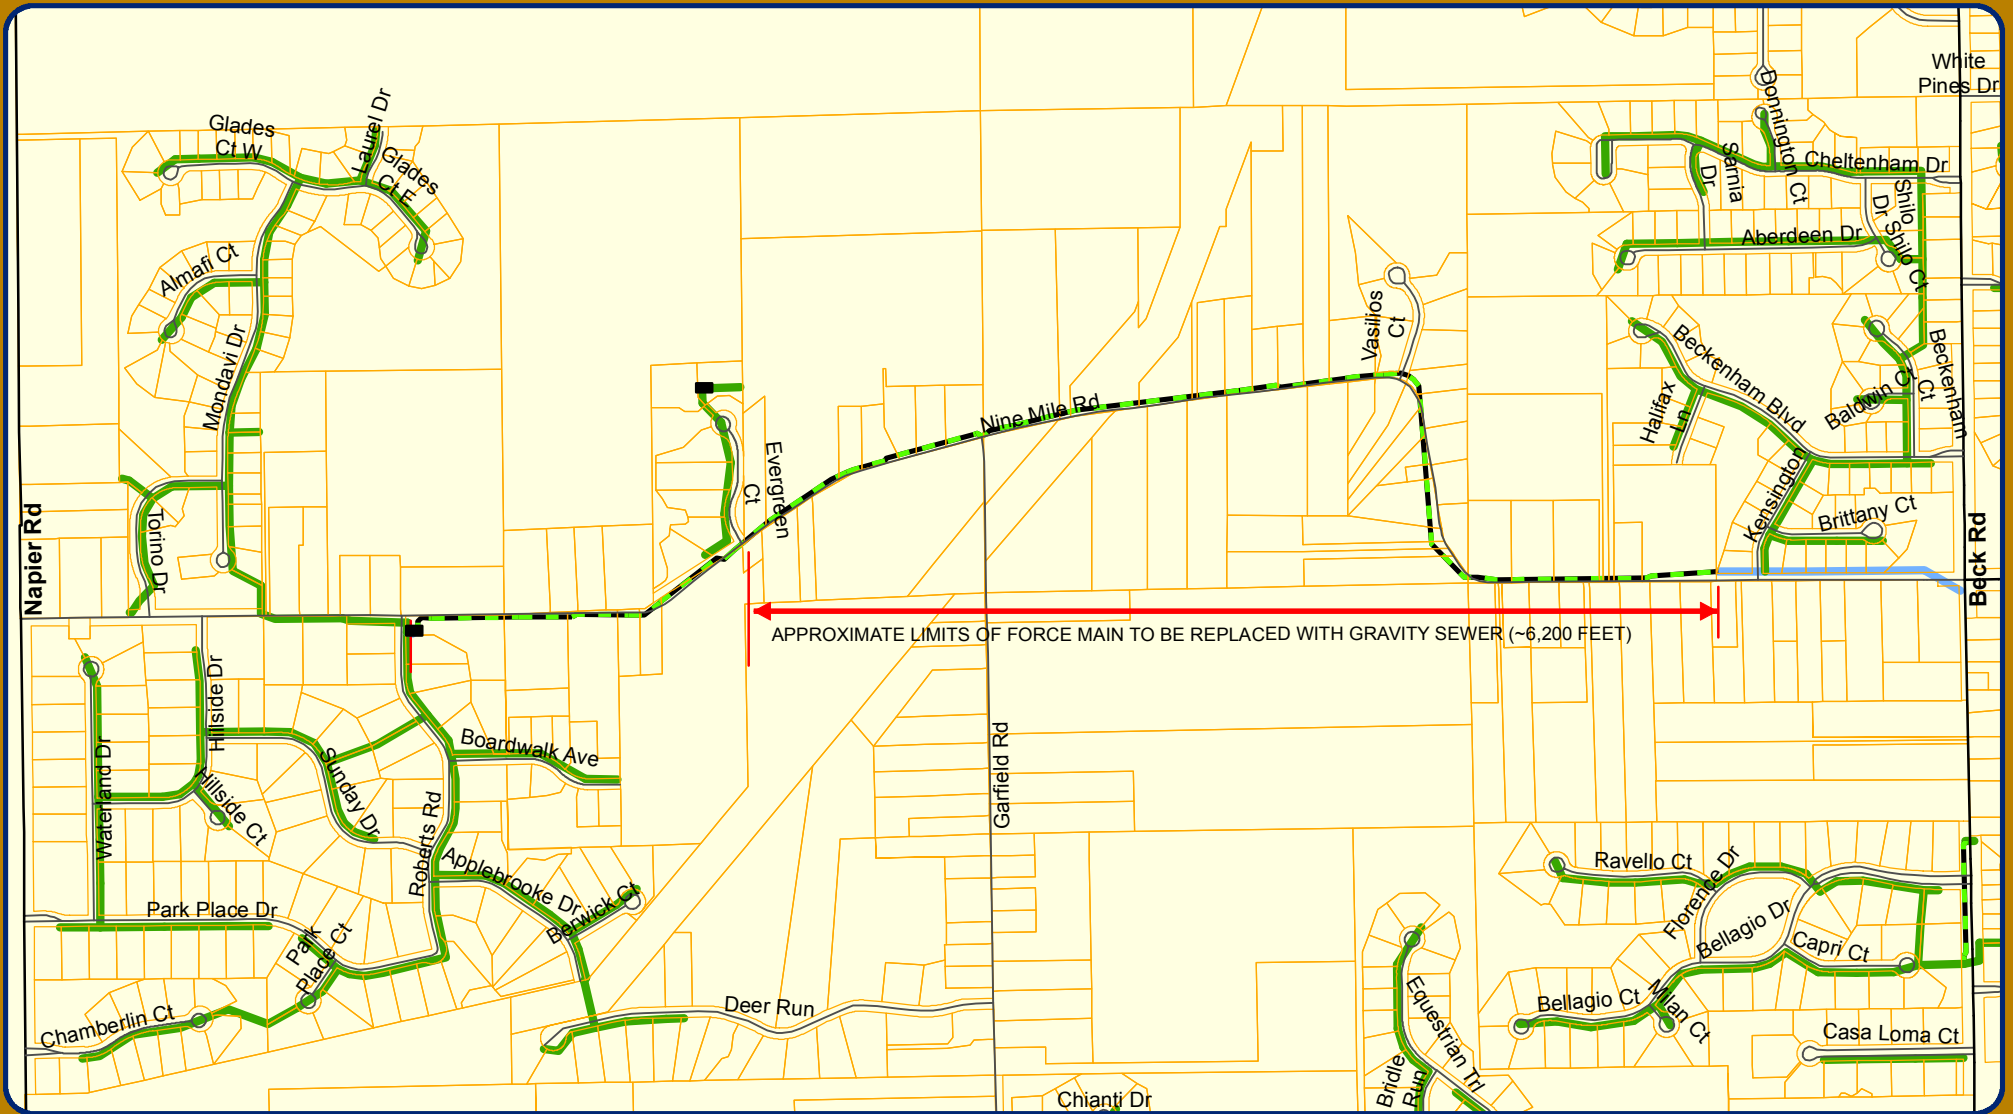

To formalize the valuation in the form of an offer, staff has worked with the City Attorney to prepare a *Resolution Concerning Acquisition of Property and Approving Declaration of Necessity and Taking*, and a *Declaration of Taking* to allow the City to begin proceedings to acquire the easements through eminent domain since the City has been unable to acquire the easements for the amounts stated in the offer letter.

This project is expected to begin construction later this fall or winter.

RECOMMENDED ACTION: Approval of (1) a Resolution Concerning Acquisition of Property and Approving Declaration of Necessity and Taking and Authorization of Offer to Purchase, and (2) a Declaration of Taking, for the purpose of making a good faith offer in the amount of \$1,565, for a temporary grading permit over parcel 50-22-29-376-018 (48733 Nine Mile), for the construction of sanitary sewer as part of the project to extend sewer along Nine Mile Road from Kensington Road to Evergreen Court.

RE: Nine Mile Sanitary Sewer Project

Dear Mr. Langkabel:

As you may be aware, the City is planning to construct a sanitary sewer main along Nine Mile between Kensington Road and Evergreen Court. To facilitate construction of the project, easements will be required along a portion of the project limits, including a temporary easement along the Nine Mile frontage of your property. For your reference, the proposed easement has been enclosed for your review.

To help limit the cost of the project, and since this project provides a benefit to the property owners on Nine Mile, we are asking that these easements be donated. However, for your information, we determined the fair market value of the easement, which was determined based on the value of the property per square foot on the basis of assessment records. Per federal guidelines, the valuation of temporary easements are set at 10% of that value. The valuation for the easements being requested over your property is valued at \$1,565. This is not a good faith offer at this point, but rather just a valuation for informational purposes.

Please feel free to contact me to further discuss the project or easements, and to address any questions or concerns you may have. If you are satisfied with the enclosed easement document, and choose to donate the easements, please return one signed, notarized copy for approval by our City Council and subsequent recording with the Register of Deeds. **If you choose not to donate the easements for the project, please contact me by May 31st at 248-735-5635 to discuss purchase of the easements.**
