Subject: Incomplete Sidewalks

Hello Lindsay,

Thank you for taking the time to discuss my concerns regarding the sidewalks I encountered Monday, March 9, 2026. I understand the city's position regarding planned development addressing some sections of incomplete sidewalks. But, in the meantime, there are some locations that have been left undeveloped for years where existing sidewalks end abruptly without warning. I noted a few for your consideration:

1. Northwest corner of Haggerty and Nine Mile
2. West side of Haggerty, south of High Point Blvd.
3. South side of Grand River east of Meadowbrook

If there's anything you can do to bring attention to these areas, I would appreciate your effort.

Sincerely,

Dana Rowe | Site Supervisor II- Events Specialist
