<b>AMOUNT BUDGETED</b>	<b>\$35,700</b>
<b>APPROPRIATION REQUIRED</b>	<b>N/A</b>
<b>LINE ITEM NUMBER</b>	<b>101-337.00-983.000</b>

**BACKGROUND INFORMATION:**

As part of the 2016-17 Budget, funds were approved for the replacement of the Fire Marshal vehicle. The current Fire Marshal vehicle is a 2005 Chevy Trailblazer (#315) and has a life expectancy of ten years. The Fire Marshal vehicle is used to respond to emergency calls for service, fire inspections, and for fire investigations. The current Trailblazer is showing signs of wear and tear, rust on the exterior and increased maintenance costs.

The proposed replacement vehicle is a 2017 Ford Utility Interceptor (Explorer). This new vehicle will have an increased lighting package for safety while responding to emergency incidents, as well as an upgraded storage unit. The upgraded rear storage unit will help organize the fire investigation equipment and fire gear in an enclosed storage drawer. This will allow the Fire Marshal to secure his equipment in one area. There will also be a mounted charging system to insure the investigation equipment is fully charged at all times.

The vehicles will be purchased through the Macomb County cooperative purchasing contract from Signature Ford, Owosso, MI. Upon removal from front line service and depending on the condition of the old Fire Marshal vehicle at the time, the vehicle will either be designated as a pool car, absorbed by other departments within the City or placed on the Michigan Inter-governmental Trade Network (MITN) surplus auction.

**RECOMMENDED ACTION: Approval to purchase a 2017 Ford Utility Interceptor for the Novi Fire Department in the amount of \$28,968 from Signature Ford, Owosso, MI through the Macomb County cooperative purchasing contract.**
