**Agenda Item J**  
**May 9, 2016**

**SUBJECT:** Approval of Traffic Control Order 16-18 and 16-19 to revise the parking prohibition along the east side of Ennishore between Nine Mile Road and Balcombe.

**SUBMITTING DEPARTMENT:** Department of Public Services, Engineering Division *REA*

**CITY MANAGER APPROVAL:** *[Signature]*

**BACKGROUND INFORMATION:**

The City's Engineering Division received a request from the Meadowbrook Lake Subdivision to install additional no parking signs along the east side of Ennishore Drive, adjacent to the Meadowbrook Lake common area. There are two existing no parking signs located close to Balcombe Drive. The HOA is requesting additional signs between Nine Mile Road and the current signs to prohibit parking along the entire frontage of the common area. Staff researched the history of the existing no parking signs and found traffic control order 75-01 to prohibit parking between 9 PM and 6 AM along the east side of Ennishore from Nine Mile to Balcombe. Staff reviewed the request for additional signs and recommends the installation. However, in order to properly enforce a parking prohibition at all times, staff is recommending that the existing traffic order be rescinded and replaced with the attached traffic control order.

Traffic control orders are required by the Uniform Traffic Code (adopted by Section 33-51 of the Novi Ordinance) to enforce traffic control signs that have been installed on public streets. The table below summarizes the traffic control orders that were prepared by the traffic engineer for consideration by City Council.

TCO No	Description
16-18	Rescind Traffic Control Order 75-01
16-19	No Parking along the east side of Ennishore Drive between Nine Mile and Balcombe.

Upon approval of the traffic control orders, the no parking signs will be scheduled for installation by DPS' Field Operations Division. The new signs are slated for installation by the end of May.

**RECOMMENDED ACTION:** Approval of Traffic Control Order 16-18 and 16-19 to revise the parking prohibition along the east side of Ennishore between Nine Mile Road and Balcombe.

Mr. Brian Coburn  
City of Novi-Traffic Engineer  
26300 Lee Begole  
Novi, MI 48375

Mr. Coburn,

As per our discussion yesterday, Meadowbrook Lake Subdivision would like to formally request the City of Novi put in two additional 12" X 12" No Parking signs along our park on the east side of Ennishore drive. We currently have one No Parking sign on the east side of Ennishore on the south end of the park and then one more sign saying No Parking ENDS at the north end of the park. There is quite a distance between these two signs and we hope that by adding two more signs between the existing ones will help to keep cars from parking on the street there.

We really appreciate your assistance in this matter! If you have questions, please call me at 248-464-2526.

Sincerely,

Sue Subject
