- The bid includes trading in the current handguns

FINANCIAL IMPACT

EXPENDITURE REQUIRED	**$ 67,911.60**
BUDGET Forfeiture Funds (262-000.00-971.000)	**$ 75,000.00**
APPROPRIATION REQUIRED	**$ 0**
FUND BALANCE IMPACT	**$ 0**

BACKGROUND INFORMATION:

As part of the 2026-27 budget amendment process, forfeiture funds were allocated for the purchase of new Glock 45 MOS Gen 6 handguns and associated magazines, sights, and holsters with a trade-in of current handguns. The department currently utilizes the Glock 17 Gen 4 9mm handgun purchased in 2016. The decision to purchase new handguns was based on the age of the current handguns and antiquated iron sights. The new handguns are two generations ahead of the current handguns and will have red dot sights for improved accuracy.

An invitation for bids was posted on the Michigan Intergovernmental Trade Network (MITN) website for the purchase of 68 Glock MOS Gen 6 Handguns and associated magazines, sights, and holsters including the trade-in of current handguns. We received four (4) bids. Kiesler Police Supply, Inc. submitted the lowest bid. The bid tabulation is attached.

RECOMMENDED ACTION: Approval to award bid to Kiesler Police Supply, Inc. for the purchase of new Glock 45 MOS Gen 6 handguns and associated magazines, sights, and holsters with a trade-in of current handguns for a net cost of $67,911.60, not to exceed $75,000, subject to the preparation of a contract in final form and approval by the City Manager's and City Attorney's offices.

CITY OF NOVI

GLOCK HANDGUNS

SPECIFICATIONS

This bid is issued by the Purchasing Office of the City of Novi.

Overview

The City of Novi is requesting bids for sixty-eight (68) new Glock 45 MOS Gen 6 handguns with a Trijicon RMR HD Red Dot Sight, suppressor height iron sights and Safariland 6390RDS Duty Holster. **NO SUBSTITUTIONS WILL BE ACCEPTED**. Bids are to be submitted online only at the Michigan Intergovernmental Trade Network website at www.mitn.info. Purchase of the items included in this bid is contingent upon approval of funding at the November 23, 2026 Council meeting.

Warranty

- Each item shall include the manufacturer's warranty.

Packaging and Manuals

- All handguns shall be received in the original Glock gun box with each containing an owner's manual.

Delivery

- Bidder is responsible for ensuring that its courier/delivery service provider makes inside deliveries to our physical location.
- We would like expedited delivery of the handguns, accessories, and ammunition. Please provide your best, guaranteed delivery date with your bid.
- We will accept partial shipments (no less than 10 handguns at a time) until the order is complete, however payment for the handguns will not be made until all handguns are received and trade-in process is complete. Please see Invoicing and Trade-Ins sections for additional information.

Trade-Ins

- Sixty-eight (68) Glock 17 Gen 4 with Trijicon Iron Sights and three (3) magazines each.
- Trade-in will take place after transition training is complete.
- Bidder is responsible for pickup and delivery of weapons traded-in.
- Bidder will make available to Novi officers the purchase of the weapons traded-in. The purchase price for officers shall be included in the bid.

Invoicing

- Vendor is responsible for securing credit on the trade-ins. The City will pay only one (1) invoice for the handguns and this invoice **MUST** include the credit for the trade-ins. We are willing to pay for the holsters and ammunition on separate invoices after they are delivered.

- Invoices must be mailed to: City of Novi, Attn: Finance Department, 45175 Ten Mile Road, Novi, MI 48375 or emailed to: invoices@cityofnovi.org.

INSTRUCTIONS TO BIDDERS

TYPE OF CONTRACT

If a contract is executed as a result of the bid, it stipulates a fixed price for products/ services.

CHANGES TO THE BID/ADDENDUM

Should any prospective Bidder be in doubt as to the true meaning of any portion of the ITB, or should the Bidder find any patent ambiguity, inconsistency, or omission therein, the Bidder shall make a written request (via email) for official interpretation or correction. Such request shall be submitted to the staff member indicated above. The individual making the request shall be held responsible for its prompt delivery.

Such interpretation or correction, as well as any additional Bid provisions that the City may decide to include, will be made as an addendum, which will be posted on the MITN website at www.mitn.info . Any addendum issued by the City shall become part of the ITB and subsequent contract and shall be taken into account by each bidder in preparing its bid. Only written addenda is binding. It is the Bidder's responsibility to be sure they have obtained all addenda.

SUBMISSION OF BID

Bids received after the closing date and time will not be accepted or considered. Faxed, emailed, or telephone bids are not acceptable.

A bid may be withdrawn by giving written notice to the Purchasing Manager before the stated due date/closing time. After the stated closing time, the bid may not be withdrawn or canceled for a period of One Hundred and Twenty (120) days from closing time.

Bidders are expected to examine all specifications and instructions. Failure to do so will be at the bidder's risk.

No bid will be accepted from, or contract awarded to any person, firm, or corporation that is in arrears or is in default to the City Novi upon any debt or contract, or that is in default as surety or otherwise, or failed to perform faithfully any previous contract with the City.

RESPONSIVE BIDS

The City reserves the right to declare as non-responsive, and reject an incomplete bid if material information requested is not furnished, or where indirect or incomplete answers or information is not provided.

CONTRACT AWARD

The contract will be awarded to that responsible, responsive bidder whose bid, conforming to this solicitation, will be most advantageous to the City of Novi. The City reserves the right to accept any or all alternative bids and award the contract to other than the lowest bidder, to waive any irregularities or informalities or both; to reject any or all bids; and in general to make the award of the contract in any manner deemed by the City, in its sole discretion, to be in the best interest of the City of Novi.

GENERAL CONDITIONS

TAX EXEMPTION

It is understood that the City of Novi is a governmental unit, and as such, is exempt from the payment of all Michigan State Sales and Federal Excise taxes. Do not include such taxes in the bid prices. The City will furnish the successful bidder with tax exemption certificates when requested. The City's tax-exempt number is 38-6032551.

FREIGHT CHARGES/SHIPPING/HANDLING

All bid pricing is to be quoted as F.O. B. destination.

DOWN-PAYMENTS OR PRE-PAYMENTS

Any bid proposal submitted which requires a down-payment or prepayment prior to delivery and full acceptance of the item(s) as being in conformance with specifications will not be considered for award.

CONTRACT TERMINATION

The City may terminate and/or cancel this contract (or any part thereof) at any time during the term, any renewal, or any extension of this contract, upon thirty days (30) days written notice to the Contractor, for any reason, including convenience without incurring obligation or penalty of any kind. The effective date for termination or cancellation shall be clearly stated in the written notice.

TRANSFER OF CONTRACT/SUBCONTRACTING

The successful bidder will be prohibited from assigning, transferring, converting or otherwise disposing of the contract agreement to any other person, company or corporation without the expressed written consent of the City of Novi. Any subcontractor, so approved, shall be bound by the terms and conditions of the contract. The contractor shall be fully liable for all acts and omissions of its subcontractor(s) and shall indemnify the City of Novi for such acts or omissions.

NON-DISCRIMINATION

In the hiring of employees for the performance of work described in this RFQ and subsequent contract, neither the contractor, subcontractor, nor any person acting in their behalf shall by reason of religion, race, color, national origin, age, sex, height, weight, handicap, ancestry, place of birth, sexual preference or marital status

discriminate against any person qualified to perform the work required in the execution of the contract.

ACCEPTANCE OF BID CONTENT

Should a contract ensue, the contents of the bid of the successful Bidder may become contractual obligations. Failure of a contractor to accept these obligations may result in cancellation of the award.

DISCLOSURE

All documents, specifications, and correspondence submitted to the City of Novi become the property of the City of Novi and are subject to disclosure under the provisions of Public Act No. 442 of 1976 known as the "Freedom of Information Act". This Act also provides for the complete disclosure of contracts and attachments hereto. This means that any informational material submitted as part of this ITB is available without redaction to any individual or organization upon request.

ECONOMY OF PREPARATION

The City of Novi is not liable for any costs incurred by bidders prior to issuance of a contract.

INDEPENDENT PRICE DETERMINATION

By submission of a proposal, the bidder certifies, and in case of a joint proposal, each party hereto certifies as to its own organization, that in connection with the proposal:
(a) The prices in the proposal have been arrived at independently without consultation, communication, or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any other Competitor; and
(b) No attempt has been made or will be made by the bidder to induce any other person or firm to submit or not submit a proposal for the purpose of restricting competition.

Each person signing the proposal certifies that:
(c) He is the person in the bidder's organization responsible within that organization for the decision as to prices being offered in the proposal and that he has not participated and will not participate in any action contrary to (a) and (b) above; or
(d) He is not the person in the bidder's organization responsible within that organization for the decision as to prices being offered in the proposal but that he has been authorized in writing to act as agent for the persons responsible for such decisions in verifying that such persons have not participated, and will not participate, in any action contrary to (a) and (b) above , and that as their agent, does hereby so certify; and that he has not participated, and will not participate in any action contrary to (a) and (b) above.

A proposal will not be considered for award if the sense of the statements required in the proposal has been altered so as to delete or modify the above.

RE: Kiesler Police Supply – Officer Buyback Program

ALL GUNS MUST PHYSICALLY BE RECEIVED INTO KIESLER.

Kiesler Police Supply requires a signed inventory sheet for all weapons being traded in. Officer buyback weapons are also to be listed. Fillable Gun Trade Inventory Sheet PDF attached. Please send a copy with the shipment and email a copy to your Kiesler representative.

1ST OPTION:

SHIP TO AN FFL DEALER: Attached is the Officer Buyback Form that will need to be filled out by each officer buying back their weapon. When the officer turns in their weapon and transitions to their new Glock they are required to turn in this form along with a copy of their driver's license, police id, FOID (IL residents only), money order or cashier's check if they want to purchase their old duty weapon. Please staple together or put in an envelope. NO PERSONAL CHECKS.

- All weapons would need to be transferred to one local dealer in your area and will need to be decided prior to receiving the department trades. We will also need a copy of their current Federal Firearms License.
- The dealer might charge a transfer fee; this is separate from Kiesler's.

2nd OPTION:

SHIP TO THE DEPARTMENT: OFFICER Letterhead Sample is attached. This must be typed on department stationary and signed in ink. No one can sign off on their own letterhead.

- The shipping address should also be provided if it is different than what is already listed on the department stationary.
  Example: P.O. Box 1234 – we cannot ship to a PO Box & we will need the physical address typed out on the letterhead please.

- Along with the letterhead please include a money order/cashier's check. Mail all together to Kiesler Police Supply, 2802 Sable Mill Road Jeffersonville, IN 47130 ATTN: **Bekah Stafford or Brittany Girdler** or send stapled and in an envelope with the trade weapon(s). NO PERSONAL CHECKS.

Additional information concerning buybacks:

- One duty pistol, one back-up pistol (if applicable), per officer maximum. This is the sidearm you carried while on active duty. If any officer would like to purchase an additional gun other than the one they

were issued on duty then the price will reflect a current wholesale value and differ from the below buyback price. Please reach out for approval and price.

- Each gun will also need to be tagged with the buyback officers name, serial number, email, and phone number before it is turned into Kiesler's.
- A Return Authorization number (RA) will need to be written on the outside of each gun box before shipment. This number will be provided by Kiesler's.
- All paperwork (DL, Dept ID, Order form) and check must be shipped with the weapon or mailed immediately after shipment.
- Make sure the officers sign their money orders when there is a signature line option.
- Cashier Checks and Money Orders expire, some as soon as 60 days after issue. Please do not collect payment too early if the guns will not be shipped/picked up within the next 30 days or please mail to Kiesler Police Supply 2802 Sable Mill Road Jeffersonville, IN 47130 ATTN: **Bekah Stafford or Brittany Girdler**

Paperwork/Payment submission deadline: XX/XX/XXXX

Buyback price for both options is the following.

- **GLOCK 17 GEN4 W/ IRON SIGHTS & 3 MAGS - $343.30 (INCLUDES TAX AND SHIPPING)**

Please see the attached quotes for your reference.

MEMORANDUM

TO: ERICK W. ZINSER
DIRECTOR OF PUBLIC SAFETY/CHIEF OF POLICE

FROM: DANIEL JENKINSON, LIEUTENANT 7/2/26

SUBJECT: HANDGUN PURCHASE WITH RED DOT SIGHT

DATE: SEPTEMBER 10, 2026

BACKGROUND:
The Novi Police Department's current approved duty handgun is the 9X19mm Glock 17 4th generation which was purchased in 2016. Our current Glock 17 handguns were purchased to replace .40 caliber Sig 229 pistols after they were in service for only four years. The reason the Sig 229s were replaced in such a short time frame was because the department's Response to Resistance Cadre recognized that the Glock 17 Gen 4 was a superior weapon system. The Novi Police Department has always made it a priority to provide its officers with the latest technology to enhance safety and operational efficiency as well as provide a superior service to the residents of Novi.

It is the recommendation of the Response to Resistance Cadre that the Novi Police Department invest in handguns with mounted red dot sights to stay in the forefront of technology and enhance the safety of our officers and the citizens we protect.

ANTIQUATED TECHNOLOGY:
Since 2016, handgun technology has been quickly evolving and the industry standard has shifted to a red dot sight system for handguns. A recent Police Magazine article noted that 77% of law enforcement agencies currently deploy handguns with red dot sights.
The Novi Police Department mandates that all patrol rifles be outfitted with red dot sights because they increase the accuracy and tactical efficiency of our officers thus enhancing the safety of our citizens while decreasing liability. Red dot sights for pistols have evolved and now offer the same benefits as the red dot sights on rifles.

In addition to falling behind on technological advancements, deploying handguns that are over a decade old presents maintenance and safety concerns. Glock is phasing out its 4th generation Glock 17 handguns and is currently manufacturing 6th generation Glock 17 handguns. Having outdated handguns has made finding local armors classes for Glock 4th generation products impossible. This has created a major hurdle to completing annual armorer inspections which are mandated by policy and needed to ensure the function ability of our duty handguns. Also, as handguns age, parts wear out and need to be replaced and become more expensive to maintain.

HANDGUN EVALUATION:

Since the Novi Police Department purchased its current Glock 17 handguns in 2016 the Glock Corporation has continued to improve their handguns and is currently on their fifth-generation model and is phasing out the Glock 17 pistols we currently deploy. Glock Corporation also recognizes the benefits of red dot sights which have become increasingly popular. Glock Corporation is now manufacturing handguns with a Modular Optics Systems (MOS) which are already milled to fit red dot sights. It is not possible to mill our current Glock 17 handguns to retrofit them for a red dot sighting system. The Response to Resistance Cadre completed a testing and evaluation for new handguns and took possession a Sig P320, Glock 45 MOS gen 5, Glock 48 MOS gen 5 and Glock 47 MOS gen 5. The Sig P320 was quickly eliminated from the testing and evaluation process due to multiple reports of the gun discharging from inside the holster. The officers of the Novi Police Department were also given an opportunity fire the Glock 45 MOS, Glock 47 MOS and Glock 48 MOS which resulting in the overwhelming majority of officers preferring the Glock 45 MOS. The Glock 45 MOS is a 9X19mm fifth generation handgun and comes milled from the factory to mount a red dot sight. The Glock 45 MOS is more compact and lighter than our current Glock 17s while offering the same magazine capacity. It was determined by the Response to Resistance Cadre that the Glock 45 MOS Gen 5 would be the preferred handgun for duty deployment.

RED DOT SIGHT EVALUATION:

Red dot sights offer many advantages over traditional iron sights. When using traditional iron sights, your focus is on the sights which creates a decrease of peripheral vision since one eye is usually closed and your other eye is solely focused on the iron sights. When using a red dot sights, both eyes are open which maintains peripheral vision. Research has shown that red dot sights on pistols improve accuracy. The Comparative Pistol Project Study was done by Norwich University and compared the effectiveness of traditional iron pistol sights with Trijicon's red dot sight. The results of the project indicated that there was a statistically significance favoring red dot sights for "hits on paper" and accuracy for all stages of fire. Research has also shown that during low light conditions red dot sights will outperform traditional iron sights. In a low light environment Iron sights took significantly longer to fire the first shot and had significantly less targets being hit when compared to a red dot sight. It has also been shown that red dot sights provide faster target acquisition than traditional iron sights because a red dot sight on a handgun will allow a much greater view of the target along with a constant point of aim.

On September 1, 2023, the Response to Resistance Cadre met with Rob Robinson who is a law enforcement technical specialist with the Evans Group. Robinson completed an introductory course on red dot sights and then assisted with completing a testing and evaluation process. The Response to Resistance Cadre tested the Trijicon SRO, RCR, RMR and the RMR HD. In the end, the cadre determined that the RMR HD was best suited to meet the needs of the Novi Police Department. The RMR HD is Trijicon's newest red dot sight and offers multiple advanced features such as full reticle functions as well as automatic brightness adjustments.

The Response to Resistance Cadre then secured a Trijicon RMR HD which was attached to a Glock 45 MOS Gen 5 for additional testing and evaluation. Each member of the Response to Resistance Cadre completed a course with the weapon and found that

even without additional red dot sight training it was preferred over our current weapons system. It is the recommendation of the Response to Resistance Cadre that we implement the Trijicon RMR HD as our handgun optic.

WEAPON MOUNTED LIGHT EVALUATION:

The Novi Police Department currently outfits our Glock 17 pistols with a weapon mounted light. The weapon mounted light we currently use is the Streamlight TRL-1. We have been satisfied with our current lighting system but also secured a Streamlight TRL-7 for testing and evaluation. The TRL-7 is a lighter and more compact weapon mounted light. It was determined that the TRL-7 light did not offer enough lumens for a duty light and the decision was made to retain our current TRL-1 lights.

HOLSTER EVALUATION:

The Novi Police Department currently uses the Safariland 6390 holster with an ALS Guard which offers level II retention. Officers have become proficient with the 6390 holster and it is generally well liked. The Response to Resistance Cadre secured a Safariland 6390 RDS with the ALS guard which is identical to our current holsters but offers a red dot sight cover. The holster was found to offer the same functionality and familiarity as our current 6390 Holsters. It is the recommendation that of the Response to Resistance Cadre that we use the Safariland 6390 RDS as our duty holster.

FINAL RECOMMENDATIONS:

At the time of evaluation, the Glock 45 MOS Gen 6 was not in production for testing, however it is functions the same as the Glock 45 MOS Gen 5. With the lack of armor classes for our current handgun model, continued upkeep and maintenance will be problematic and cost prohibitive. It is the recommendation of the Response to Resistance Cadre that the Novi Police Department transition to the Glock 45 MOS Gen 6 with a Trijicon RMR HD Red Dot Sight, suppressor height iron sights, the TRL-1 weapon mounted light and Safariland 6390RDS Duty Holster. Our current TRL-1 lights are in good condition and do not need to be replaced at this time
