SUBMITTING DEPARTMENT: Integrated Solutions – Parks and Municipal Grounds Management

EXPENDITURE REQUIRED	\$29,379.37
AMOUNT BUDGETED	\$35,370
APPROPRIATION REQUIRED	\$0
LINE ITEM NUMBER	101-265.10-982.039

BACKGROUND INFORMATION:

The Parks and Municipal Grounds Management Division currently has one 2007 Bannerman Turf Topper that has reached its expected lifespan and repair parts are harder to acquire. The Bannerman will be placed out of service with the purchase of this budgeted replacement unit. This machine is a critical tool within the Parks Maintenance Team.

The proposed Dakota Top Dresser is part of their line of turf toppers. Some of the key features that provide benefit over the Bannerman include:

- Full compatibility with our current tractors
- Equipped with digital controls for more accurate application and less waste
- Has a broadcast spreader (instead of the drop spreader like the Bannerman) which allows for a quicker and more broad application of the material
- Smaller design for easier storage
- Ability to spread various materials including fertilizer, sand, topsoil, and weed control products
- A 1 year included warranty with parts locally available for less downtime for future maintenance and repairs

Revels Turf & Tractor is the single source dealer within Michigan to purchase Dakota equipment.
