SUBMITTING DEPARTMENT: City Manager

CITY MANAGER APPROVAL: 

BACKGROUND INFORMATION: The City Council's Ordinance Review Committee (ORC) has been evaluating, with the assistance of City administration, the City's Code of Ordinances to determine whether there are any outdated or obsolete provisions that can be simply removed from the code. The draft ordinance updates the City Code to include reference to a new type of use that, for purposes of state law, falls under the category of secondhand dealers and junk dealers. A copy of the new state statute relating to automated recycling kiosks—where people recycle things such as phones, is also attached for the City Council's review. The language of the ordinance mirrors the new state law.

The ORC recommended adoption of the attached ordinance at its June 3, 2019, meeting.
