BACKGROUND INFORMATION:

As part of the 2014-15 Budget, funds were approved to purchase five (5) marked replacement vehicles. Current analysis shows we only need four (4) replacement vehicles during this budget cycle. The replacement vehicles will consist of two (2) Chevrolet Tahoe 4WD Pursuit Rated police vehicles and two (2) Ford Police Interceptor Utility vehicles. The current contract requires that patrol vehicles be removed from emergency service at 100,000 miles. The replacements will be for older vehicles in the fleet that have reached the 100,000 mile threshold.

During 2014, the Novi Police Department began testing and evaluating an additional platform which would provide a more suitable all-season patrol vehicle. The Chevrolet Caprice is a good car that provides high-performance speed and handling, however, we have learned, it has some limitations in cold and/or snowy environments. Therefore, we have opted to round out the fleet with the Chevrolet Tahoe and the Ford Police Interceptor Utility packages. The pursuit-rated 4WD Tahoe will provide tremendous cabin space needed to accommodate our larger officers and all the necessary police equipment installed in the vehicle. These vehicles will also be use as our primary Field Training Officer (FTO) vehicles, and will be used during heavy winter weather events. The Ford Utility vehicle provides all-wheel drive, more cabin space, and can be used during almost any weather event.

The purchase of the Tahoes will be made through the Oakland County cooperative purchasing contract, through Berger Chevrolet. The Fords will be purchased through the Macomb County Cooperative purchasing contract, through Signature Ford.

RECOMMENDED ACTION: Approval to purchase four (4) replacement marked patrol vehicles for the Novi Police Department. SUBJECT: 2014/2015 PATROL VEHICLE PURCHASE

DATE: JANUARY 15, 2015

INFORMATION:

As part of the 2014-15 Budget, funds were approved to purchase FIVE (5) replacement vehicles. Current analysis shows we only need four (4) replacement vehicles during this purchase cycle. During 2014, the Novi Police Department began testing and evaluating an additional platform which would provide a more suitable *all-season* patrol vehicle. The Chevrolet Caprice is a good car that provides high-performance speed and handling, however, we have learned, it has some limitations in cold and/or snowy environments. Therefore, we have opted to round out the fleet with the Chevrolet Tahoe and the Ford Police Interceptor Utility packages. These vehicles will also be use as our primary Field Training Officer (FTO) vehicles, and will be used during heavy winter weather events. The Ford Utility vehicle provides all-wheel drive, more cabin space, and can be used during almost any weather event.

COSTS:

The purchase of the Tahoes will be made through the Oakland County cooperative purchasing contract, through Berger Chevrolet. The Fords will be purchased through the Macomb County Cooperative purchasing contract, through Signature Ford.
