

INDEPENDENT AUDITORS' COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

November 26, 2024

The Honorable Mayor and Members of the City Council
City of Novi, Michigan

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the **City of Novi, Michigan** (the "City") as of and for the year ended June 30, 2024, and have issued our report thereon dated November 26, 2024. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated June 24, 2024, our responsibility, as described by professional standards, is to form and express opinions about whether the financial statements that have been prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the City solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our findings regarding internal control over financial reporting and compliance noted during our audit in a separate letter to you dated November 26, 2024. In addition, we noted a certain other matter which is included in Attachment A to this letter.

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm has complied with all relevant ethical requirements regarding independence.

Qualitative Aspects of the City's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the City is included in Note 1 to the financial statements.

The City changed accounting policies related to restatements and adjustments to beginning fund balance/net position by adopting Statement of Governmental Accounting Standards (GASB Statement) No. 100, *Accounting Changes and Error Corrections*.

No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements were:

- Management's estimate of the insurance claims incurred but not reported is based on information provided by the entity's third party administrators and subsequent claims activity.
- The assumptions used in the actuarial valuations of the other postemployment benefits plan are based on historical trends and industry standards.

In addition, the financial statements include the net pension liability and other related amounts, which are dependent on estimates made by the plan. These estimates are based on historical trends and industry standards but are not within the control of management.

We evaluated the key factors and assumptions used to develop these estimates and determined that they are reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. We did not identify any misstatements during our audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the City's financial statements or the auditors' report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in Attachment C to this letter.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the City, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the City's auditors.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for the supplementary information accompanying the financial statements, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole. We made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Upcoming Changes in Accounting Standards

Generally accepted accounting principles (GAAP) are continually changing in order to promote the usability and enhance the applicability of information included in external financial reporting. While it would not be practical to include an in-depth discussion of every upcoming change in professional standards, Attachment B to this letter contains a brief overview of recent pronouncements of the Governmental Accounting Standards Board (GASB) and their related effective dates. Management is responsible for reviewing these standards, determining their applicability, and implementing them in future accounting periods.

This information is intended solely for the use of the governing body and management of the **City of Novi, Michigan** and is not intended to be and should not be used by anyone other than these specified parties.

Attachment A - Comments and Recommendations

For the June 30, 2024 Audit

During our audit, we became aware of a certain other matter that is an opportunity for strengthening internal control and/or improving operating efficiency. This memorandum summarizes our comment and recommendation regarding this matter. Our consideration of the City's internal control over financial reporting is described in our report, dated November 26, 2024, issued in accordance with *Government Auditing Standards*. This memorandum does not affect that report or our report dated November 26, 2024, on the financial statements of the *City of Novi, Michigan*.

Other Matter

Budgeted Fund Balance Deficit (Repeat)

Through the *Uniform Budgeting and Accounting Act, Act 2 of 1968*, the State of Michigan Department of Treasury requires that the total estimated expenditures, including an accrued deficit, in the budget shall not exceed the total estimated revenues plus fund balance. The City budgeted for an ending fund balance deficit in the capital improvement program capital projects fund.

Management's Response to Other Matter:

The capital improvement program capital projects fund ended fiscal year 2024 with a fund balance deficit of \$9,051,104, an increase of \$5,356,036 from fiscal year 2023's deficit. The increase in the current fiscal year was primarily due to the purchase of two pieces of property totaling approximately \$7.6 million. The deficit was planned and approved by City Council. City of Novi residents approved a ten year CIP millage in August of 2016 with the first levy on July 1, 2017. The CIP millage was estimated to bring in more than \$42 million over the ten year period of the levy. City Council identified six projects that were to begin immediately with an estimated cost of \$21 million. Construction on the various projects was projected to span over several fiscal years. After reviewing funding options (internal borrowings vs bond issuance), on June 19, 2017, the Mayor and Council passed a resolution approving internal borrowing rather than issuing bonds. Internal borrowing allows the City to make monthly loan payments and interest paid on the loan stays within its own funds. Had the City issued bonds, the bond proceeds would have provided the City with bond proceed revenue and generated a positive fund balance, but would have cost the City millions in closing costs and interest. Governmental accounting rules require internal borrowings not be shown as proceeds on the statement of revenue, expenditures and changes in fund balance, but rather a liability on the balance sheet. As of June 30, 2024, the six projects noted above are complete and the estimated remaining property tax revenue from the CIP millage totals \$14.3 million over the remaining three years.

The State requires any municipality which has a deficit in any fund in the annual audit report to file a formal deficit elimination plan (DEP) addressing how the deficit will be eliminated. The Mayor and City Council approved a DEP for fiscal years 2023, 2022, 2021 and 2020, and will submit an updated DEP for fiscal year 2024 for State approval.

CITY OF NOVI, MICHIGAN

Attachment B – Upcoming Changes in Accounting Standards / Regulations

For the June 30, 2024 Audit

The following pronouncements of the Governmental Accounting Standards Board (GASB) have been released recently and may be applicable to the City in the near future. We encourage management to review the following information and determine which standard(s) may be applicable to the City. For the complete text of these and other GASB standards, visit www.gasb.org and click on the “Standards & Guidance” tab. If you have questions regarding the applicability, timing, or implementation approach for any of these standards, please contact your audit team.

GASB 101 ■ Compensated Absences

Effective 12/15/2024 (your FY 2025)

This standard revises the liability governments record for compensated absences payable to include any sick, vacation, personal time, or other PTO reasonably expected to be used by employees or paid out to them at termination.

GASB 102 ■ Certain Risk Disclosures

Effective 06/15/2025 (your FY 2025)

This standard requires governments to disclose essential information about risks related to vulnerabilities due to certain concentrations or constraints. We do not expect this standard to have any significant effect on the City.

GASB 103 ■ Financial Reporting Model Improvements

Effective 06/15/2026 (your FY 2026)

This standard establishes new accounting and financial reporting requirements—or modifies existing requirements—related to the following: a. management’s discussion and analysis (MD&A), b. unusual or infrequent items, c. presentation of the proprietary fund statement of revenues, expenses, and changes in fund net position, d. information about major component units in basic financial statements, e. budgetary comparison information, and f. financial trends information in the statistical section.

GASB 104 ■ Disclosure of Certain Capital Assets

Effective 06/15/2026 (your FY 2026)

This standard requires certain types of capital assets to be disclosed separately in the capital assets note disclosures, requires certain intangible assets to be disclosed separately by major class, and requires additional disclosures for capital assets held for sale.

- d. Evaluated and accepted responsibility for the result of the service performed; and
 - e. Established and maintained internal controls, including monitoring ongoing activities.
5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
 6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
 7. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
 8. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP. For the purposes of this letter, related parties mean members of the governing body; board members; administrative officials; immediate families of administrative officials, board members, and members of the governing body; and any companies affiliated with or owned by such individuals.
 9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
 10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
 11. With regard to items reported at fair value:
 - a. The underlying assumptions are reasonable, and they appropriately reflect management's intent and ability to carry out its stated courses of action.
 - b. The measurement methods and related assumptions used in determining fair value are appropriate in the circumstances and have been consistently applied.
 - c. The disclosures related to fair values are complete, adequate, and in conformity with U.S. GAAP.
 - d. There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.
 12. All component units, as well as joint ventures with an equity interest, are included and other joint ventures and related organizations are properly disclosed.
 13. All funds and activities are properly classified.
 14. All funds that meet the quantitative GASB criteria for presentation as major are identified and presented as such and all other funds that are presented as major are considered important to financial statement users.
 15. All components of net position and fund balance classifications have been properly reported.
 16. All revenues within the statement of activities have been properly classified as program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.
 17. All expenses have been properly classified in or allocated to functions and programs in the statement of activities, and allocations, if any, have been made on a reasonable basis.
 18. All interfund and intra-entity transactions and balances have been properly classified and reported.
 19. Deposit and investment risks have been properly and fully disclosed.

20. Capital assets, including infrastructure assets, are properly capitalized, reported, and if applicable, depreciated.
21. All required supplementary information is measured and presented within the prescribed guidelines.
22. We believe that the actuarial assumptions and methods used to measure pension and other postemployment benefit liabilities and costs for financial accounting purposes are appropriate in the circumstances.
23. We are responsible for the fair presentation of the City's net pension liability as calculated by the Municipal Employees' Retirement System of Michigan (MERS) and related amounts. We provided MERS with complete and accurate information regarding the City's participation in the plan and have reviewed the information provided by MERS for inclusion in the City's financial statements.
24. There were no omissions from the participants' data provided to the single-employer OPEB Plan's actuary for the purpose of determining the actuarial present value of the Plan's benefit obligations and the other actuarially determined amounts in the financial statements.
25. The single-employer OPEB Plan's administrator agrees with the actuarial methods and assumptions and methods used by the actuary for funding purposes and for determining the Plan's benefit obligations and has no knowledge or belief that such methods or assumptions are inappropriate in the circumstances. We did not give any, nor cause any, instructions to be given to the Plan's actuary with respect to the values of amounts derived, and we are not aware of any matters that have impacted the independence or objectivity of the Plan's actuary.
26. The following have been properly recorded and disclosed in the financial statements:
 - a. The actuarial methods or assumptions used in calculating amounts recorded or disclosures in the financial statements.
 - b. Changes in the single-employer OPEB Plan's provisions between the actuarial valuation date and the date of this letter.
27. All required filings of the single-employer OPEB Plan's documents with the appropriate agencies have been made.
28. The single-employer OPEB Plan (and the trust established by the Plan) is qualified under the appropriate section of the internal revenue code and we intend to continue as a qualified plan (and trust). The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status.
29. The single-employer OPEB Plan has complied with the Department of Labor's regulations concerning the timely remittance of participants' contributions to trusts containing assets of the Plan.
30. The single-employer OPEB Plan's management has obtained and reviewed the relevant service auditor's SOC-1 reports and management is performing the applicable user control.

Information Provided

31. We have provided you with:
 - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements of the various opinion units referred to above, such as records, documentation, meeting minutes, and other matters;

- b. Additional information that you have requested from us for the purpose of the audit; and
 - c. Unrestricted access to persons within the City from whom you determined it necessary to obtain audit evidence.
32. All transactions have been recorded in the accounting records and are reflected in the financial statements.
33. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
34. We have no knowledge of any fraud or suspected fraud that affects the City and involves:
- a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others where the fraud could have a material effect on the financial statements.
35. We have no knowledge of any instances, that have occurred or are likely to have occurred, of fraud and noncompliance with provisions of laws and regulations that have a material effect on the financial statements or other financial data significant to the audit objectives, and any other instances that warrant the attention of those charged with governance, whether communicated by employees, former employees, vendors (contractors), regulators, or others.
36. We have no knowledge of any instances that have occurred or are likely to have occurred, of noncompliance with provisions of contracts and grant agreements that has a material effect on the determination of financial statement amounts or other financial data significant to the audit objectives.
37. We have no knowledge of any instances that have occurred or are likely to have occurred of abuse that could be quantitatively or qualitatively material to the financial statements or other financial data significant to the audit objectives.
38. We have a process to track the status of audit findings and recommendations.
39. We have identified for you all previous audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.
40. We have provided views on your reported audit findings, conclusions, and recommendations, as well as our planned corrective actions, for the report.
41. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.
42. We have disclosed to you the identity of the City's related parties and all the related party relationships and transactions of which we are aware.
43. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in accounting, internal control, or financial reporting practices.
44. The City has no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
45. We have disclosed to you all guarantees, whether written or oral, under which the City is contingently liable.
46. We have identified and disclosed to you the laws, regulations, and provisions of contracts and grant agreements that could have a direct and material effect on financial statement amounts, including legal and contractual provisions for reporting specific activities in separate funds.

47. There are no:
- a. Violations or possible violations of laws or regulations, or provisions of contracts or grant agreements whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency, including applicable budget laws and regulations.
 - b. Unasserted claims or assessments that our lawyer has advised are probable of assertion and must be disclosed in accordance with GASB Statement No. 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements*.
 - c. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by GASB Statement No. 62.
48. The City has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset or future revenue been pledged as collateral, except as disclosed to you.
49. We have complied with all aspects of grant agreements and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
50. We have disclosed to you all significant estimates and material concentrations known to management that are required to be disclosed in accordance with GASB Statement No. 62. Significant estimates are estimates at the balance sheet date that could change materially within the next year. Concentrations refer to volumes of business, revenues, available sources of supply, or markets or geographic areas for which events could occur that would significantly disrupt normal finances within the next year.

Supplementary Information in Relation to the Financial Statements as a Whole

51. With respect to the supplementary information accompanying the financial statements:
- a. We acknowledge our responsibility for the presentation of the supplementary information in accordance with accounting principles generally accepted in the United States of America.
 - b. We believe the supplementary information, including its form and content, is fairly presented in accordance with accounting principles generally accepted in the United States of America.
 - c. The methods of measurement or presentation have not changed from those used in the prior period.
 - d. We believe the significant assumptions or interpretations underlying the measurement or presentation of the supplementary information, and the basis for our assumptions and interpretations, are reasonable and appropriate in the circumstances.

Required Supplementary Information

52. With respect to the required supplementary information accompanying the financial statements:

- a. We acknowledge our responsibility for the presentation of the required supplementary information in accordance with accounting principles generally accepted in the United States of America.
- b. We believe the required supplementary information, including its form and content, is measured and fairly presented in accordance with accounting principles generally accepted in the United States of America.
- c. The methods of measurement or presentation have not changed from those used in the prior period.
- d. We believe the significant assumptions or interpretations underlying the measurement or presentation of the required supplementary information, and the basis for our assumptions and interpretations, are reasonable and appropriate in the circumstances.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

November 26, 2024

The Honorable Mayor and Members of the City Council
City of Novi, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the **City of Novi, Michigan** (the "City"), as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated November 26, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
