

CITY of NOVI CITY COUNCIL

**Agenda Item 5
August 24, 2015**

SUBJECT: Approval to award a construction contract for 2015 Neighborhood Road Program Contract 3 (Concrete) to Fiore Enterprises, LLC, the low bidder, in the amount of \$1,599,001, subject to final review and approval of form of agreement by City Manager's office and the City Attorney; and approval of a resolution to amend the budget to roll over funds from FY14-15 for this budget line item.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division *BTC GA*

CITY MANAGER APPROVAL: *[Signature]*

EXPENDITURE REQUIRED	\$ 1,599,001.29
AMOUNT BUDGETED	\$ 1,608,000.00 FY15-16
APPROPRIATION REQUIRED	\$ 1,390,000.00 (rollover from FY14-15)
LINE ITEM NUMBER	203-203.00-865.435

BACKGROUND INFORMATION:

Each year, the City of Novi selects residential streets for reconstruction, repaving, repair, and/or rehabilitation based on PASER ratings, staff's field observations and resident concerns. The 2015 program consists of three separate contracts: Contract 1 for improvements to White Pines Drive (currently under construction), Contract 2 for asphalt streets (elsewhere on this agenda for consideration), and Contract 3 for concrete streets. Altogether, the City will be making an investment of \$3,700,000 in neighborhood streets this construction year.

One of the primary goals of the Department of Public Services' asset management program is the preservation of the City's roadways to prevent costly reconstruction. Novi's neighborhood road and preventative maintenance programs are intended to result in an overall improvement in the quality of the City's roadways and consequently increase the overall PASER rating for the roadway network. The neighborhood road program will typically address large sections of streets that require significant rehabilitation. Rehabilitation techniques that will be considered include standard methods, such as mill and overlay, partial-depth and full-depth joint repairs; and will also include other emerging technologies such as pavement interlayers, asphalt recycling, full-depth reclamation, and the use of other materials and methods that improve the strength of the pavement and resistance to reflective cracking. The objective is to preserve good quality roads using lower-cost rehabilitation techniques, rather than allowing the roads to deteriorate to a point that requires road reconstruction involving much more effort at a higher cost. This type of rehabilitation is intended to limit further deterioration of existing pavement defects, and extend the service life of the pavement.

The streets included in this contract are as shown in the table below:

Street	From	To	Proposed Work
Brockshire St	Chase Drive	Hempshire	Reconstruction
Chase Drive	Reindeer	Trent Ct	Reconstruction
Cherry Hill	Ridge Rd W	Highlands	Discrete Panel Replacement
Highlands	Cherry Hill	Cherry Hill	Discrete Panel Replacement
Sudbury Ct	Brockshire	End	Reconstruction
Trent Ct	Chase Drive	End	Reconstruction
Westchester Ct	Ashbury Dr	End	Discrete Panel Replacement

One bid was received and opened on August 13, 2015 following a public bid solicitation period. Fiore Enterprises was the only bidder, and after review of Fiore's bid it is recommended as being in the best interest of the City as it is responsive (i.e., Fiore has complied with all requirements of the bidding instructions) and the unit prices are in-line with the engineer's estimate. Fiore has recently completed several projects successfully for the City.

(OHM's award recommendation letter including the bid tabulation dated August 14, 2015 is attached). A summary of the bid received is as follows:

Contractor	Bid Price (including Crew Days)*
Fiore Enterprises	\$1,647,001.29

* Crew Days are included to compare bids, but are not included in the award.

This project was funded in FY14-15 for construction in 2015; therefore, a rollover budget amendment is required to allocate the remaining FY14-15 funds to the budget line item for FY15-16.

It is anticipated that this project will be completed by fall 2015.

RECOMMENDED ACTION: Approval to award a construction contract for 2015 Neighborhood Road Program Contract 3 (Concrete) to Fiore Enterprises, LLC, the low bidder, in the amount of \$1,599,001, subject to final review and approval of form of agreement by City Manager's office and the City Attorney; and approval of a resolution to amend the budget to roll over funds from FY14-15 for this budget line item.

RESOLUTION

NOW, THEREFORE BE IT RESOLVED that the following Budget Amendment for the construction for the 2015 Neighborhood Road Project is authorized:

	INCREASE (DECREASE)
LOCAL STREET FUND	
APPROPRIATIONS	
Capital Outlay	1,390,000
TOTAL APPROPRIATIONS	<u>\$ 1,390,000</u>
Net Increase (Decrease) to Fund Balance	<u><u>\$ (1,390,000)</u></u>

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Novi at a regular meeting held on August 24, 2015

Maryanne Cornelius
City Clerk

2015 Neighborhood Road Program

April 2015

Attention: Mr. Ben Croy, PE, Engineer

Regarding: 2015 Neighborhood Roads Concrete Program
Recommendation of Award

Dear Mr. Croy:

Sealed bids for the 2015 Neighborhood Roads Concrete Program were received and publicly read aloud by the City on Thursday, August 13, 2015 at 2:00 pm. A proposal bid was received from one (1) bidder. The one (1) bidder's submittal was from Fiore Enterprises, LLC in the amount of \$1,647,001.29, and is summarized in the attached bid tabulation. The final Engineer's Opinion of Construction Cost for this project was estimated to be \$1,518,300.00. Please note that this amount includes the cost of crew days (inspector days) for the project.

The project scope consists of both reconstruction and rehabilitation of existing local City concrete roads as follows:

- Concrete road reconstruction consisting of full road cross section replacement on Brockshire Street, Chase Drive, Sudbury Court, Trent Court, and Westchester Court.
- Concrete road rehabilitation consisting of slab and joint repair on Cherry Hill Road and Highlands Drive.

As noted above, Fiore Enterprises, LLC, located in Detroit, Michigan, is the low bidder (and sole bidder). They have successfully completed previous recent projects for OHM in multiple communities in Southeast Michigan, and have also worked previously (and are working currently) on City of Novi projects. Based on our review of the bid submitted, and discussions with City staff, we recommend award of the 2015 Neighborhood Roads Concrete Program project to Fiore Enterprises, LLC, in the estimated award amount of **\$1,599,001.29**. Please note that this award amount is derived from the total bid amount of \$1,647,001.29, less the crew day cost of \$48,000, per the submitted unit price bid for the project by Fiore Enterprises, LLC.

We look forward to continuing to provide our professional services on this project through the construction phase of work. If you have any questions, please do not hesitate to contact me at (734) 466-4439.

Sincerely,

OHM Advisors

BID
for
2015 Neighborhood Roads Concrete Program

Bid of *FIORE ENTERPRISES, LLC* hereinafter called Bidder, organized and existing under the laws of or a resident of the State of Michigan, doing business as *a Limited Liability Company* *.

Insert as applicable: "a corporation", "a partnership" or "an individual".

TO THE CITY OF NOVI, MICHIGAN, hereinafter called OWNER:

The undersigned as Bidder hereby declares: that this Bid is made in good faith without fraud or collusion with any person or persons bidding on the same Contract; that the Bidder has read and examined the Advertisement for Bids, Instructions to Bidders, Bid, General Conditions, Supplementary Conditions, Agreement, Forms of Bond, Specifications and Drawings, as prepared by the ENGINEER, and understands all of the same; that the Bidder of its representative has made personal investigation at the site and has become fully familiar with regard to the conditions to be met in the execution of this Contract, and the undersigned proposes to furnish all labor, materials, tools, power, transportation, and construction equipment necessary for the construction of the Project and performing related work in full accordance with the aforesaid Contract Documents, including any and all Addenda officially issued, their receipt of which is hereby acknowledged:

Addendum No.	Addendum Date
_____	_____
_____	_____
_____	_____

The Contract will be awarded to the lowest responsive, responsible Bidder based on the unit prices for all Work specified.

The Bidder agrees to complete the Project for the following unit prices:

SUBTOTAL FOR (Items 1-39)					\$ 1,647,001.29
Total Bid Amount (Items 1-39)					\$ 1,647,001.29

If the foregoing Bid shall be accepted by the OWNER, the undersigned agrees to enter into the attached form of Agreement within ten (10) days after receiving notice of such acceptance, will furnish the OWNER satisfactory bonds and certificates of insurance coverage, and will complete the Project, at the price and within the time stated in this Bid.

The undersigned further agrees that if the foregoing Bid shall be accepted, work will commence immediately after the Contract has been awarded, the Agreement executed, and a Notice to Proceed received. **The undersigned shall complete the Work to Substantial Completion within 55 calendar days, and to Final Completion, including restoration and all punch list items, within 70 calendar days.**

The undersigned attaches hereto its Bid security, as required by the Advertisement for Bids and Instructions to Bidders. The undersigned agrees that in case it shall fail to fulfill its obligations under the foregoing Bid, and/or shall fail to furnish bonds, as specified, the OWNER may, at its option determine that the undersigned has abandoned its rights and interests in such Contract and that its Bid security accompanying its Bid; has been forfeited to the said OWNER, but otherwise the Bid security shall be returned to the undersigned upon the execution of the Contract and the acceptance of the bonds.

The undersigned also agrees that for each and every calendar day that he may be in default of Substantial Completion of the Work, within the time specified in this Bid, the OWNER will suffer a damage of NINE hundred dollars (\$900.00) per day, and said OWNER shall be compensated therefore at the rate as liquidated damages in accordance with the Agreement.

In submitting this Bid, it is understood that the right is reserved by the OWNER to accept any bid, to reject any or all Bids, and to waive irregularities in bidding in the interest of the OWNER.
