

**CITY OF NOVI CITY COUNCIL**  
**SEPTEMBER 13, 2021**

**SUBJECT:** Approval of Change Order No. 3 to Pro-Line Asphalt Paving Corporation, for placing a 2-inch asphalt cap on Lee BeGole Drive as part of the 2021 Neighborhood Road Program – Asphalt Streets contract, in the amount of \$62,700.

**SUBMITTING DEPARTMENT:** Department of Public Works, Engineering Division

<b>EXPENDITURE REQUIRED</b>	<b>\$ 62,700.00</b>
<b>AMOUNT BUDGETED</b>	<b>\$ 69,235.00 (FY 2020-21 Budget Rollover)</b>
<b>APPROPRIATION REQUIRED</b>	<b>\$ 0</b>
<b>LINE ITEM NUMBER</b>	<b>202-202.00-865.183</b>

**BACKGROUND INFORMATION:**

Lee BeGole Drive between 11 Mile Road and the Gun Range approach is a dead end asphalt roadway in poor condition (PASER 2). The road segment also included a failing culvert headwall, which serves the Bassett Drain and was recently reconstructed this year.

In the FY 2019-20 Budget, a three lane, 36-foot-wide asphalt section reconstruction was proposed to be consistent with the existing Crescent Boulevard for potential future connect and to provide a center turn lane for safe ingress/egress for existing and future developments along the route. The City has been unable to obtain right-of-way from the existing property owner along the west-side of Lee BeGole Drive, which is needed to widen the existing two-lane roadway. Additionally, a significant portion of the project's budget was reallocated to fund additional streets in the Neighborhood Roads Program.

Engineering recommends an interim fix of placing a 2-inch asphalt cap on Lee BeGole Drive to provide another 5 to 7 years of viable service life to the roadway until a more permanent design is determined, likely when the property on the west side develops. Using the low unit prices in the current asphalt Neighborhood Road Program asphalt

contract, Pro-Line Asphalt Paving Corporation would profile mill at the existing drives and place two inches of new asphalt on top of the existing surface.

The contract administration and geotechnical engineering services related to this project change order will be granted to the following pre-qualified firms using the fee percentages in the Agreements for Professional Engineering Services and Geotechnical Engineering Services for Public Projects.

<b>OHM-Advisors</b>			
Lee BeGole Drive 2-inch Asphalt Cap	Contract Administration	4.75% of the construction contract (\$62,700 x 4.75%)	\$ 2,978.25
	Crew Days	\$700 daily inspection fee x 3 days	\$ 2,100.00
<b>Testing Engineers &amp; Consultants, Inc. (TEC)</b>			
Lee BeGole Drive 2-inch Asphalt Cap	Material Testing Services	1.9% of the construction contract (\$62,700 x 1.9%)	\$ 1,191.30

**RECOMMENDED ACTION:** Approval of Change Order No. 3 to Pro-Line Asphalt Paving Corporation, for placing a 2-inch asphalt cap on Lee BeGole Drive as part of the 2021 Neighborhood Road Program – Asphalt Streets contract, in the amount of \$62,700 and amend the budget.
