

CITY of NOVI CITY COUNCIL

Agenda Item D
November 23, 2015

SUBJECT: Approval to award the outdoor adult exercise equipment purchase at Meadowbrook Commons to GameTime, in the amount of \$17,923.57 using U.S. Communities cooperative purchasing contract and amend the budget.

SUBMITTING DEPARTMENT: Parks, Recreation & Cultural Services

CITY MANAGER APPROVAL: 

EXPENDITURE REQUIRED	\$ 17,923.57
AMOUNT BUDGETED	\$ -0-
APPROPRIATION REQUIRED	\$ 17,923.57
LINE ITEM NUMBER	208-691.00-740.601

BACKGROUND INFORMATION

Outdoor Adult Fitness Parks have been growing in popularity in recent years as the benefits of outdoor exercise have been recognized. Improved psychological and physiological health, disease prevention, improved adherence to regular exercise, decreased tension and depression, increased energy, greater satisfaction levels and access to green environments are just some of the numerous benefits these playgrounds can provide.

Parks, Recreation and Cultural Services (PRCS) staff met with representatives from KMG Management to propose the building of a pilot program on the Meadowbrook Commons grounds. Space is available along the walking path and in an area where a pickleball court(s) and/or active recreation area could be developed in the future.

The exercise park will encompass four machines within a 21' x 17' area with an engineered wood fiber surface. The equipment is designed to remain in place year round. Based on the mechanics of the units and benefits to the Older Adult population, the following machines will be purchased.

1. Hand cycle – Aerobic Fitness, Muscle Fitness, Core Fitness and Balance/Flexibility
2. Shoulder Rotator - Aerobic Fitness, Core Fitness and Balance/Flexibility
3. Skill Trainer – Aerobic Fitness, Muscle Fitness, Core Fitness and Balance/Flexibility
4. Chest Press - Muscle Fitness, Core Fitness and Balance/Flexibility

Pricing is based on the US Communities cooperative purchasing program and includes installation and freight. Projected installation is spring 2016.

RECOMMENDED ACTION: Approval to award the outdoor adult exercise equipment purchase at Meadowbrook Commons to GameTime, in the amount of \$17,923.57 using U.S. Communities cooperative purchasing contract and amend the budget.

RESOLUTION

NOW, THEREFORE BE IT RESOLVED that the following
Budget Amendment for the outdoor adult exercise equipment is
authorized:

	INCREASE (DECREASE)
PARKS, RECREATION, & CULTURAL SERVICES FUND	
APPROPRIATIONS	
691 Supplies	18,000
TOTAL APPROPRIATIONS	<u>\$ 18,000</u>
Net Increase (Decrease) to Fund Balance	<u><u>\$ (18,000)</u></u>

I hereby certify that the foregoing is a true and complete copy of a
resolution adopted by the City Council of the City of Novi
at a regular meeting held on November 23, 2015

GAMETIME POLICIES

Specifications: Specifications were current at the time of publication. GameTime has an ongoing policy of product improvement and therefore reserves the right to modify specifications or discontinue products without notice.

Terms of sale: To governmental agencies and tax supported institutions, and those with approved credit, payment is due 30 days from the date of invoice. A 1.5% per month finance charge will be imposed on all past due accounts. We also accept payment by VISA, MasterCard or American Express. All other orders will require a 50% deposit at time of order entry. The balance will be due with a certified check upon receipt of shipment (C.O.D.).

Prices: Prices are F.O.B. factory and do not include freight charges. All prices were current at time of publication and quoted in U.S. Funds. Prices are subject to change without notice. Current prices will apply at the time of shipment. Due to the abnormally high cost of fuel and its impact on many of the materials used in our industry, quotations are valid for 30 days only and prices may be subject to material and fuel surcharges at time of shipment.

Freight charges: Freight charges are determined and collected by the carrier unless GameTime is requested and agrees to prepay and add these costs to the invoice.

Taxes: If applicable, taxes will be added to the invoice except when a tax exempt certificate is provided with the purchase order at the time of order entry.

Minimum Order: Our minimum order is US \$50.00.

Order cancellation: Once accepted, orders can be canceled only with the consent of GameTime, and on terms which will indemnify GameTime against loss. Canceled orders will be subject to a restocking fee. Equipment "built-to-order" is non-cancelable.

Domestic shipments: Unless specifically given routing instructions on the purchase order, shipment will be made via the carrier we consider to be the most economical and practical in reaching the final destination.

Delays in transit: GameTime is not responsible for delays in transit and such delays shall not alter our invoicing terms.

Loss or damage in transit: GameTime is not responsible for loss or damage in transit. Carefully check all materials received; any shortage, discrepancy or damage must be noted on the delivery receipt and signed by the carriers representative. Failure to note exceptions on the delivery receipt may impair your right to recovery from the carrier.

Weights: All published weights are estimated and include appropriate packing materials. Actual weights may vary slightly.

Shipments shall be f.o.b. destination with freight charges prepaid and listed separately.

A PLAYCORE Company

HAND CYCLE

Model: 13246

Age Groups:

The Hand Cycle station is a fun, low-impact Aerobic (cardio) workout for users of all fitness levels. It's like an exercise bike for your upper body! Users sit on the ergonomically-designed saddle in an upright position, grip the slip-resistant hand pedals and pedal with their arms. Pedals are connected to a fully enclosed flywheel that utilizes our advanced magnetic resistance technology for smooth, consistent resistance during your workout.

Features and Benefits

- Compact, space-saving station that improves aerobic fitness
- Utilizes advanced magnetic resistance mechanism for smooth resistance throughout the range of motion
- Resistance mechanism is fully enclosed to protect from the elements and eliminates crush and shear hazards
- Ergonomically-designed saddle and slip-resistant hand pedals
- Constructed of durable, recyclable materials and backed by the industry's leading warranty

A PLAYCORE Company

CHEST PRESS

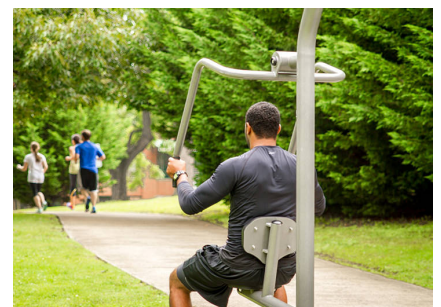

Model: 13244
Age Groups:

The Chest Press Station is similar to chest press machines in a gym or fitness center. Users sit on an ergonomically-designed saddle and lean back against a supportive backrest. Grip the slip-resistant hand grips and press your arms forward. As your arms move forward and up, the advanced variable resistance mechanism is activated to provide smooth, effective resistance while enhancing arm and shoulder strength.

Features and Benefits

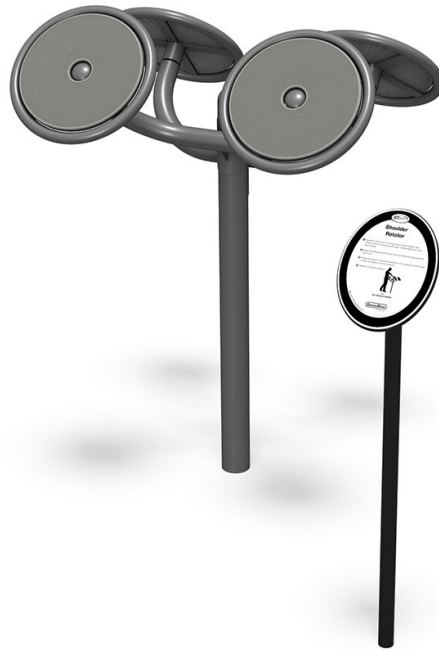

- Familiar-looking design is instantly recognizable to beginning and advanced users
- Utilizes our exclusive advanced variable resistance mechanism for smooth resistance throughout the range of motion
- Resistance mechanism is fully enclosed to protect from the elements and eliminates crush and shear hazards
- Roomy nylon saddle and ergonomic backrest; twin PVC slip-resistant hand grips
- Constructed of durable, recyclable materials and backed by the industry's leading warranty

A PLAYCORE Company

SHOULDER ROTATOR

Model: 14905

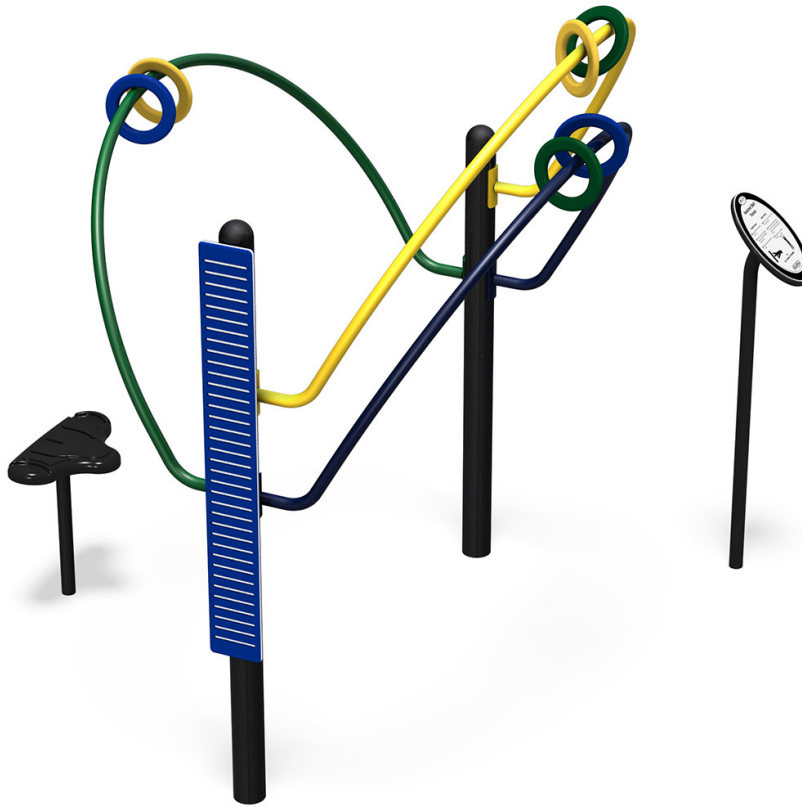

Use Zone: 5' x 5'

Age Groups:

The design of our Shoulder Rotator allows adults of all fitness levels to improve flexibility in their shoulder, arms and wrist - a great warmup option to begin your workout. Users grip the handles and rotate the discs with each arm, in the same direction or in opposing directions. The fully enclosed rotating mechanism is designed to provide smooth, fluid motion throughout the revolutions.

Features and Benefits

- Provides a flexibility workout station for adults of all fitness levels
- Dual-station design allows two users to utilize the station at once
- Rotating discs feature large grip handles and a fully enclosed rotation mechanism
- Constructed of durable, recyclable materials and backed by the industry's leading warranty

Model: 14904

Use Zone: 7' x 7'

Age Groups:

The Skill Trainer is designed to help enhance fine motor skills, coordination, flexibility and balance. It provides multiple exercise options, including the Finger Walk and Ring Trace. The Ring Trace includes three different heights (standing, seated on the included Comfort Seat or seated in a mobility device). Users grasp a colored ring and slide it from one side of the bar to the other without allowing the ring to touch the bar.

Features and Benefits

- A great fitness option for the active aging community to enhance fine motor skills, balance and flexibility
- Ring Trace activity designed for three different height levels
- Includes Comfort Seat for users who prefer to sit during the exercise
- Constructed of durable, recyclable materials and backed by the industry's leading warranty
