| AMOUNT BUDGETED | \$187,700 |

| LINE ITEM NUMBER | 266-266.00-983.000 (Federal Forfeiture) |

BACKGROUND INFORMATION:

As part of the 2015-16 Budget, forfeiture funds were approved to purchase six (6) marked replacement vehicles. Mileage estimates are made more than a year in advance, based on approximately 2,800 miles per month, per vehicle. As a result of maintenance issues, crashes, or other vehicle related issues, mileage may increase or decrease for some vehicles. Current analysis shows we only need four (4) replacement vehicles during this budget cycle. The replacement vehicles will consist of four (4) Ford Police Interceptor Utility vehicles. The current contract requires that patrol vehicles be removed from emergency service at 100,000 miles. The replacements will be for older vehicles in the fleet that have reached the 100,000 mile threshold.

During 2015, the Novi Police Department began deploying the Ford Police Interceptor Utility package, mounted on the Explorer platform. This platform provides all-wheel drive, more cabin space, and can be used during almost any weather event. The vehicle has been well received by the officers.

The vehicles will be purchased through the Macomb County cooperative purchasing contract from Signature Ford, Owosso, MI. Upon removal from service and depending on the condition of the vehicle at the time, vehicles will either be designated as a pool car, absorbed by other departments within the City or placed on the Michigan Inter-governmental Trade Network (MITN) surplus auction

RECOMMENDED ACTION: Approval to purchase four (4) Ford Police Interceptor Utility vehicles for the Novi Police Department in the amount of \$106,204 from Signature Ford, Owosso, MI through the Macomb County cooperative purchasing contract.
