

CITY OF NOVI CITY COUNCIL
APRIL 7, 2025

SUBJECT: Consideration of approval to award the East Lake Drive Drainage Improvements project contract to Springline Excavating LLC, the low bidder, in the amount of \$236,115.

SUBMITTING DEPARTMENT: Department of Public Works, Engineering Division

KEY HIGHLIGHTS:

- The project will address a failing storm outlet to Walled Lake and improve local drainage.
- Construction would occur this spring or summer, depending on contractor availability.
- East Lake Drive will be closed to southbound through traffic for 3 to 4 weeks, and traffic will be detoured to Novi Road.

FINANCIAL IMPACT

	FY 2024/25
EXPENDITURE REQUIRED	\$ 236,115.00
BUDGET	
Drain Fund 211-445.00-975.204	\$ 784,437.00
APPROPRIATION REQUIRED	\$ 0
FUND BALANCE IMPACT	\$ 0
Budget includes current estimated total project costs for construction (construction engineering, crew days, material testing, contingency, etc.).	

BACKGROUND INFORMATION:

City engineering consultant, Spalding DeDecker, assisted City staff with design of a drainage improvement project along Monticello Street and East Lake Drive, between Monticello Street and Lashbrook Street. The project will address a failing storm outlet to Walled Lake and improve local drainage. The failed outlet, which is on private

property and for which the City does not have an easement, will be plugged and abandoned. Stormwater flow to the failed outlet will be redirected to a new outlet on City-owned property at Lashbrook Street and East Lake Drive. A 24-inch storm sewer will be constructed along East Lake Drive to collect stormwater from Monticello Drive to the new outlet. The existing ditches on Monticello Street will be cleaned out and armored with turf reinforcement mats. Since the new storm sewer will require East Lake Drive pavement removal, asphalt pavement will be replaced following storm sewer construction. East Lake Drive will be closed to southbound through traffic for 3 to 4 weeks, and traffic will be detoured to Novi Road.

The project was advertised for public bids on March 12, 2025. Four (4) bids were received and opened on April 2, 2025, following the solicitation period. Springline Excavating LLC is recommended in the best interest of the City as it is responsive and complies with all the requirements of the bidding instructions. The award recommendation letter, including the bid tabulation, is attached.

Contractor	Total Bid*
Springline Excavating, LLC	\$248,915.00
Stephen McIntosh-Main Street Contracting, Inc.	\$304,700.00
Fonson Company, Inc.	\$318,356.13
HMC, LLC	\$396,507.00

***Crew Days are included to compare bids but not included in the award.**

The contract administration and geotechnical engineering services related to this project will be awarded to the following pre-qualified firms using the fee percentages in the Agreements for Professional Engineering Services and Geotechnical Engineering Services for Public Projects.

Spalding DeDecker	Contract Administration	6.75% of the construction award	\$15,937.76
	Crew Days	\$800 daily inspection fee x 16 days	\$12,800.00
G2	Material testing services	3% of the construction award	\$7,083.45
TOTAL			\$35,821.21

Construction would occur this spring or summer, depending on contractor availability, and is expected to take 3-4 weeks.

RECOMMENDED ACTION: Approval to award the East Lake Drive Drainage Improvements project contract to Springline Excavating LLC, the low bidder, in the amount of \$236,115.

Re: **Recommendation for Award**
East Lake Drive Drainage
SDA Project No.: Job No NV23007

Dear Mr. Croy:

On April 2, 2025 at 10:00 a.m., construction bids were opened and publicly read at the City of Novi for the East Lake Drive Drainage Improvements project. The project includes improvements to the ditches along Monticello Street and construction of a new storm sewer along East Lake Drive between Monticello and Lashbrook Street with a new outlet to Walled Lake at Lashbrook.

The City Clerk's office received four (4) sealed bids for this project, with each bid considered to be responsive having submitted a bid compliant with all requirements. The apparent low bidder, Springline Excavating, LLC, submitted a total bid of \$248,915.00. Following the bid opening, Spalding DeDecker reviewed all of the bids received, verified the calculations, and prepared the bid tabulation for the project (attached).

Based on previous construction experience with the Contractor, Spalding DeDecker finds that Springline Excavating is qualified to perform the required construction.

It is our recommendation that the project be awarded to the lowest responsive bidder, Springline Excavating, LLC in the amount of \$236,115.00, which is the total bid of \$248,915.00 minus \$12,800.00 for crew days bid.

Upon award by the City Council, our office will coordinate the completion of the Contract Agreement, Bonds, and Insurance information with Springline Excavating.

Very Truly Yours,
SPALDING DEDECKER

Taylor E. Reynolds, PE
Senior Project Manager

If the foregoing Bid shall be accepted by the OWNER, the undersigned agrees to enter into the attached form of Agreement within ten (10) days after receiving notice of such acceptance, will furnish the OWNER satisfactory bonds and certificates of insurance coverage, and will complete the Project, at the price and within the time stated in this Bid.

The undersigned further agrees that if the foregoing Bid shall be accepted, work will commence immediately after the Contract has been awarded, the Agreement executed, and a Notice to Proceed received. **The undersigned shall complete the Work to Substantial Completion within 45 calendar days, and to Final Completion, including restoration and all punch list items, within 75 calendar days.**

The undersigned attaches hereto its Bid security, as required by the Advertisement for Bids and Instructions to Bidders. The undersigned agrees that in case it shall fail to fulfill its obligations under the foregoing Bid, and/or shall fail to furnish bonds, as specified, the OWNER may, at its option determine that the undersigned has abandoned its rights and interests in such Contract and that its Bid security accompanying its Bid; has been forfeited to the said OWNER, but otherwise the Bid security shall be returned to the undersigned upon the execution of the Contract and the acceptance of the bonds.

The undersigned also agrees that for each and every calendar day that he may be in default of Substantial Completion of the Work, within the time specified in this Bid, the OWNER will suffer a damage of Eight Hundred Dollars (\$800) per day, and said OWNER shall be compensated therefore at the rate as liquidated damages in accordance with the Agreement.

In submitting this Bid, it is understood that the right is reserved by the OWNER to accept any bid, to reject any or all Bids, and to waive irregularities in bidding in the interest of the OWNER.
